Karen,
We've made it! Our first year in high school is over! Still known you for a long time and I hope we always stay friends. Good luck in everything you do!

Love,
Joy

Karen,
To one of my best friends that I will miss a lot when I move. You better write to me a lot. Are we still going together? I wish you all the luck here at Lakeview in the next few years. I only wish I were going to be here with you. I also wish you luck with your "84" ship ring. I wish I had one. Have a great summer!
Love ya, "84" yeah!

Karen, (my baby daughter)
It's been nice to help out a little when there were problems with Bill. We're gonna stay friends for a long time. I wish that we could've had a few classes together. Remember Schultz? Love always,
Joyce

Karen,
Good luck in school next year. Hope to see you next summer. Have a good time.
Love,

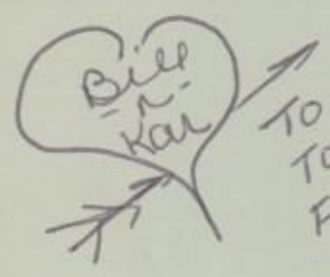
Karmeen (Korky),
High, you far-out dude! What a friend you're been when I needed one. Don't worry are relationships will never fade away, with whomever we get involved with (Ray & Ron) Boy, baseball this yr should be a big joke! Wows so far me and you are in good running shape for it. I know before the end of time (a mighty big stretch) you and Bill will be together, forever, believe me. Well Dude I wish you luck, but you won't need it.



Keep smiling

Remember me always
It's not hard to forget one.

Luv ya like a sis

Karen,
To my total lover 'hehe! Im so glad I met you this year you've been the greatest to me when I needed a friend. I appreciate all you've done for me! Just think we've got 3 more years to go together- excellent huh! I hope you know you can rely on me if you have a problem with Bill or someone- if you ever need someone I'm here! -OK! Keep in touch over the summer

Take Care, (772-0855)
Love ya always!

It's been great getting to know you better! You're a terrific person. At least we both had a chance at Bill, even though you had the best of times, and I'm happy for you! Good luck in all of your goals. All the best to one of the best.

Love ya,

Karen,

To a real nice girl I met in the Eighth grade (even though we didn't agree on alot of things) we still became good friends. "good luck" in love

Karen,

To a nice girl I got to know. Maybe if it wasn't for Bill we could get over the barrier and try a little harder. You've been a super friend to me. I'm glad I got to know you this year. I'm sorry of all the things that Bill has done. But I know you like him. So I hope you and Bill will become closer. Hope to see you of my classes. Have a great wishes. Hope you have got all my things you will keep "I know you will" Good luck "771-1496" every thing you do! You've always been a good friend. Love ya, Karen

Karen,

I am really glad that we met. We've been through a lot together even though we've only known each other for one year. I hope that our friendship will continue to grow at our remaining years here at LHS.

See ya next year & have a great summer!

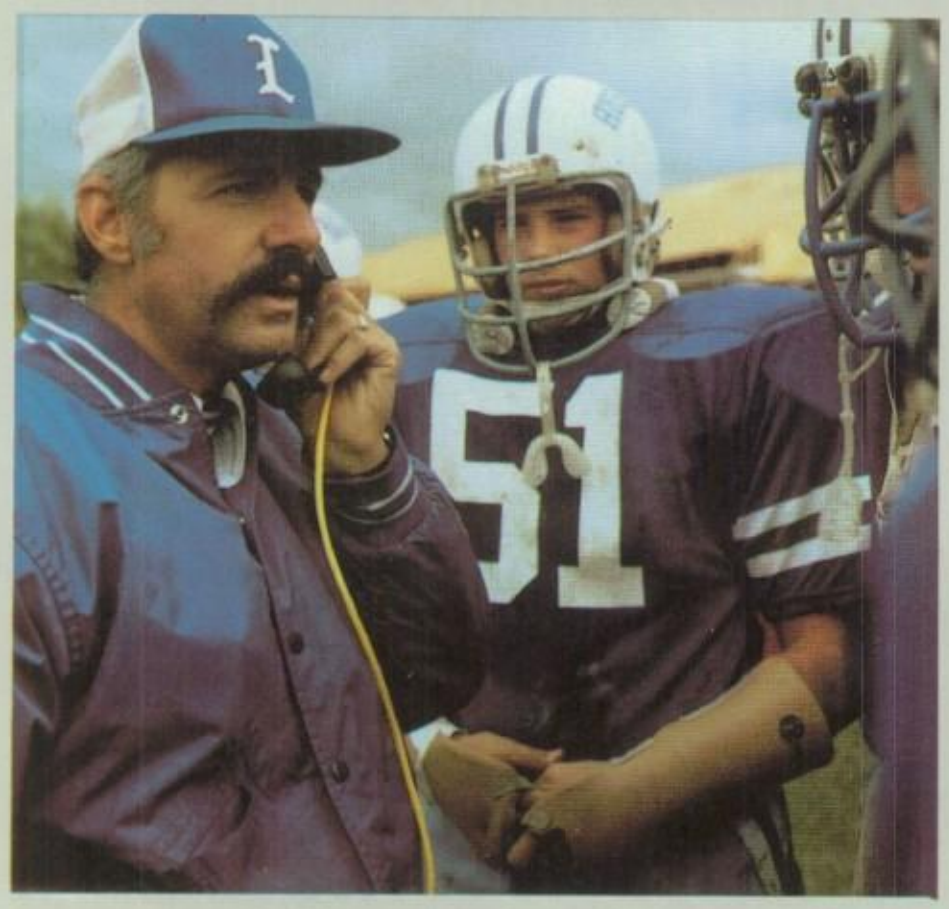
PARADE

Field commanders Gina Quartana, Mike Raybaud and Tim Parker lead the First Division Award marching band in the homecoming parade.

The winning class float, the senior wave circles the field during the pre-game show.



The offensive line, including Mike Devantier (51), wait for advise as Coach Martin consults the scouts in the stands.

Overflowing with enthusiasm the hockey team helps to brighten the overcast skies during the parade.

INPUT SPARKS HOMECOMING VICTORY

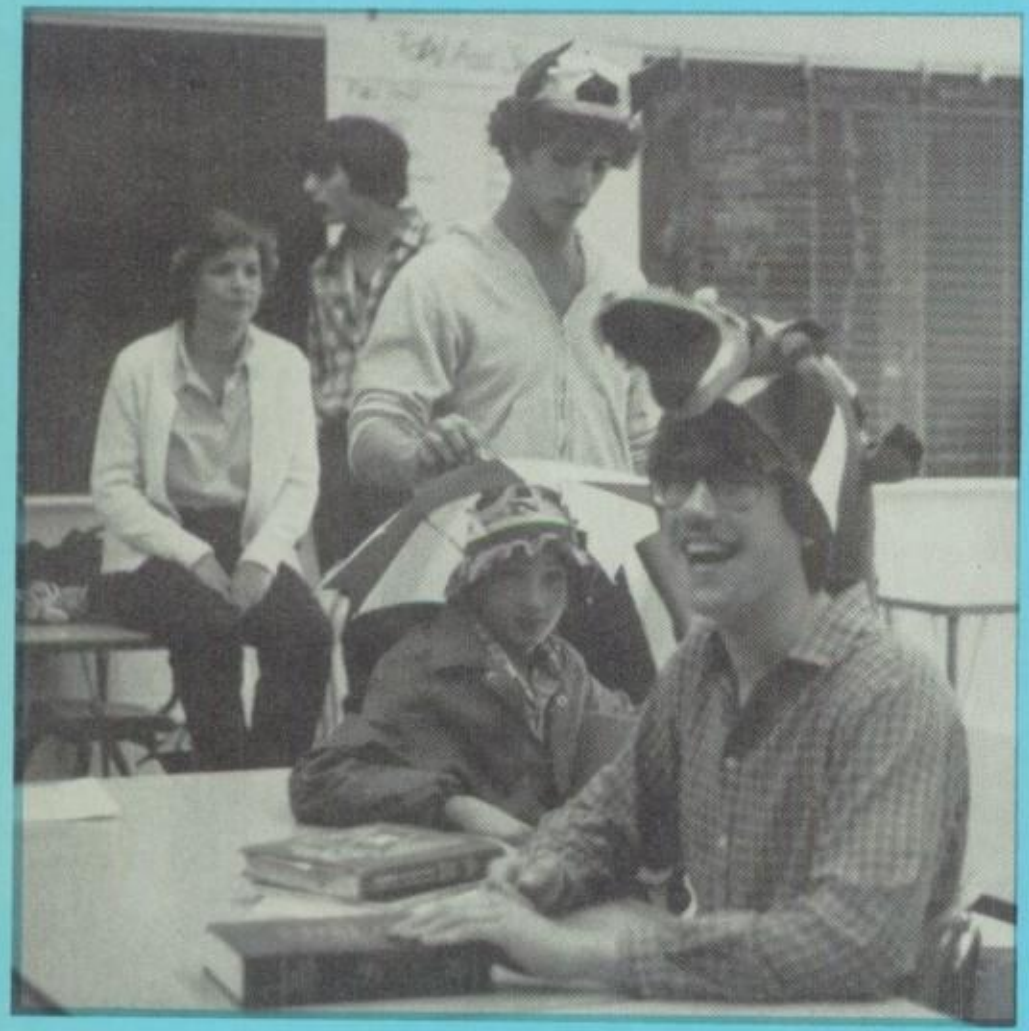
With a Lancer hanging on, Bob Finazzo gathers in a loose ball, as Mike Bate blocks and Skip McCain goes into help.

Another first down is reflected by the excitement shown by the cheerleaders.

If you had tried to drive down Jefferson at 10:00 homecoming morning you would have found the streets blocked and Grand Marshall, Mr. Shaublin leading the parade of the floats and the band down the street. It was the beginning of an exciting day for everyone involved. The enthusiasm carried through the parade and into the game between the Hustling Huskies and the L'anse Creuse Lancers. Pre-game ceremonies were held and the new queen, Nancy Williams was crowned. As the minutes ticked down to seconds the score remained deadlocked until and overtime pass into the end zone from Jeff Craig to Frank Badalamenti put the Huskies on the board for a breath holding victory.

DID YOU HAVE THE SPIRIT?

Any visitor who walked into school the week preceding homecoming wouldn't know what to think of the students moving about the school. With the start of the week come exotic hats and crazy socks. On Tuesday it ranged from sailors to pirates to people equipped with life preservers and fins ready for the tide to roll in. The middle of the week brought favorite sports such as baseball, football, skiing, fishing, basketball, and track. T-shirts of all types were found on Thursday. The week came to and end with school spirit shown in the blue and white clothes. Not only was it fun to dress up and laugh at others, it was a change of pace to the everyday hum-drum.



The bizarre style of hats are shown off by Jim Corbit, Mike Wayne and John Farr.

Courageous spirit is shown by Ms. Marchel as pies were hurled toward her through all the lunches.

Senior powder puff cheerleaders exhibit their victory cheer for the girls.

Seniors Jan Dagostinos, Mark Prichard and Carol Schwanger display their choice of nautical dress.

A good block is exhibited by Brenda Leonard (68), as the ball is carried through the hole.

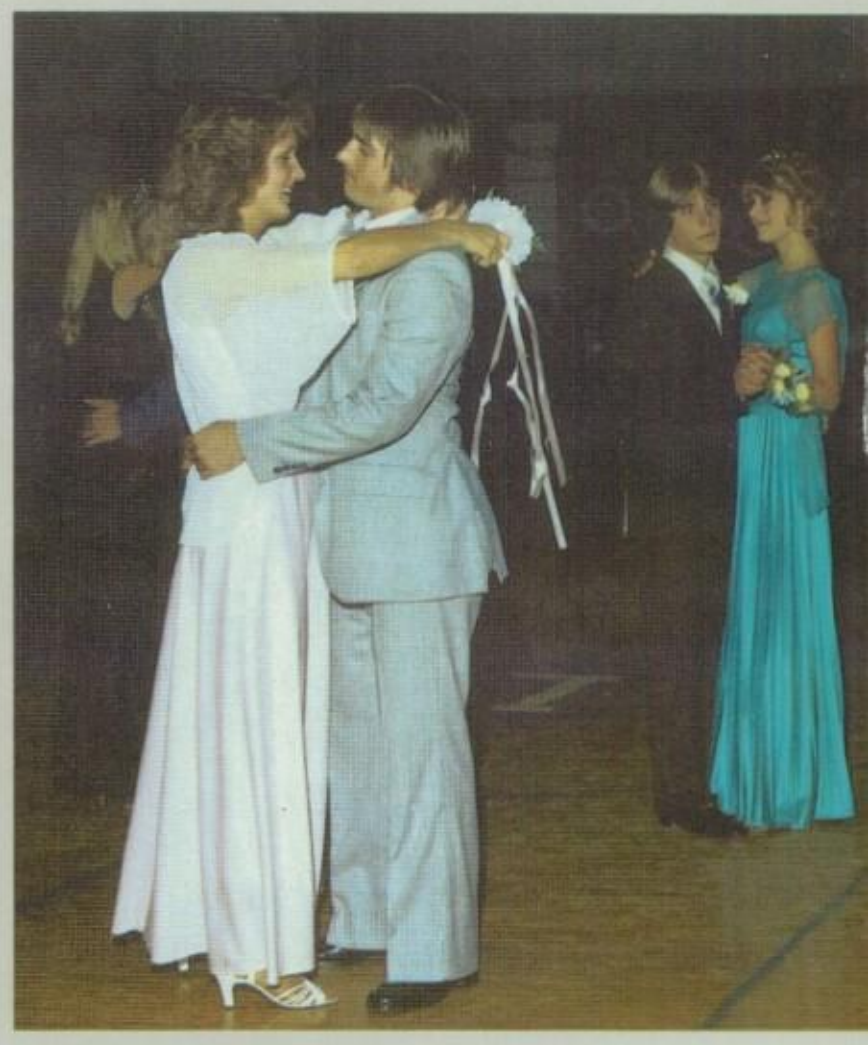
Enhanced by the exciting evening are Sue Loef and Steve Hendricks.



Saluted by flags in the pre-game ceremonies are Kim Elias and Frank Demers.

The exciting day came to a close with the traditional dance in the gym. In keeping with this year's nautical theme, the dance was entitled the Captain's Ball. The gym was decorated with items of maritime memorabilia which helped to bring a touch of salt air into the hall. The students were entertained by the eight piece band, Network. The night was highlighted by the eighteen couple court dance

EVERYTHING'S GOING UP

With the decrease in school enrollment, many schools have been forced to close. Wheat School, the oldest elementary school in the district, was no exception. It was shut down and soon sold. From the football field the transition from an old school building filled with many memories to new office building can be seen.

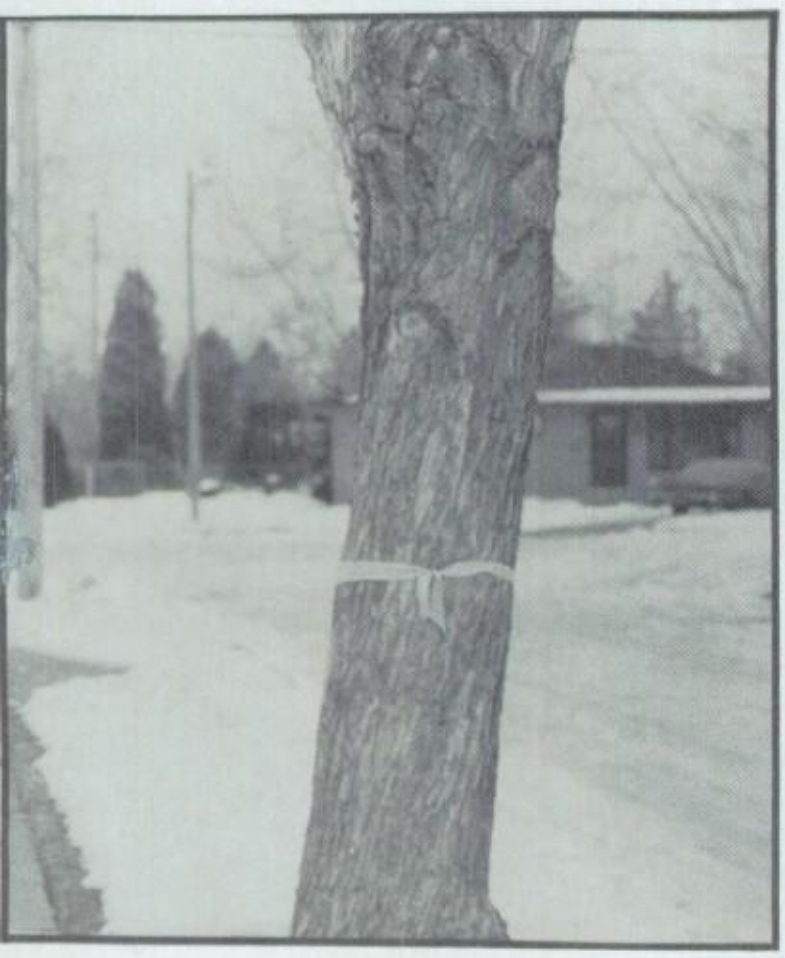
"Attention all students who will be sixteen on or before April 21 can sign up after school today for drivers ed."

Do you remember the good ol' days of driving up curbs at excessive speeds of 20 MPH? The excitement of finally getting behind the wheel soon wears off as everything becomes routine. After the many class hours and on the road driving it is now your turn to "be on the lookout" for the student driver.

November 4, 1980-Reagan is announced the 40th president of the United States. As predicted in the mock election that took place in school on October 30, Reagan won by a landslide. In our election, Reagan came out with 529 votes, Carter with 346, Anderson with 140, and undecided with 148. In reality, the margin was so great that Carter conceded before many Americans on the West Coast had placed their votes. It is hoped that the charged administration will help the economy for the better.

A FULL DECK RETURNS

Nine inches of snow followed by rain turning to ice, yielded a free day.



When the word finally came after 444 days of captivity that the hostages were to be released, people all over rejoiced. This sign of happiness was shown in many ways. Yellow ribbons continued to be tied on trees. Students also showed their delight by wearing yellow ribbons on anything from shirts to purses. Ribbons were displayed through out the school showing that the community as a whole, as well as the U.S. was glad to have the fifty-two American hostages returned.

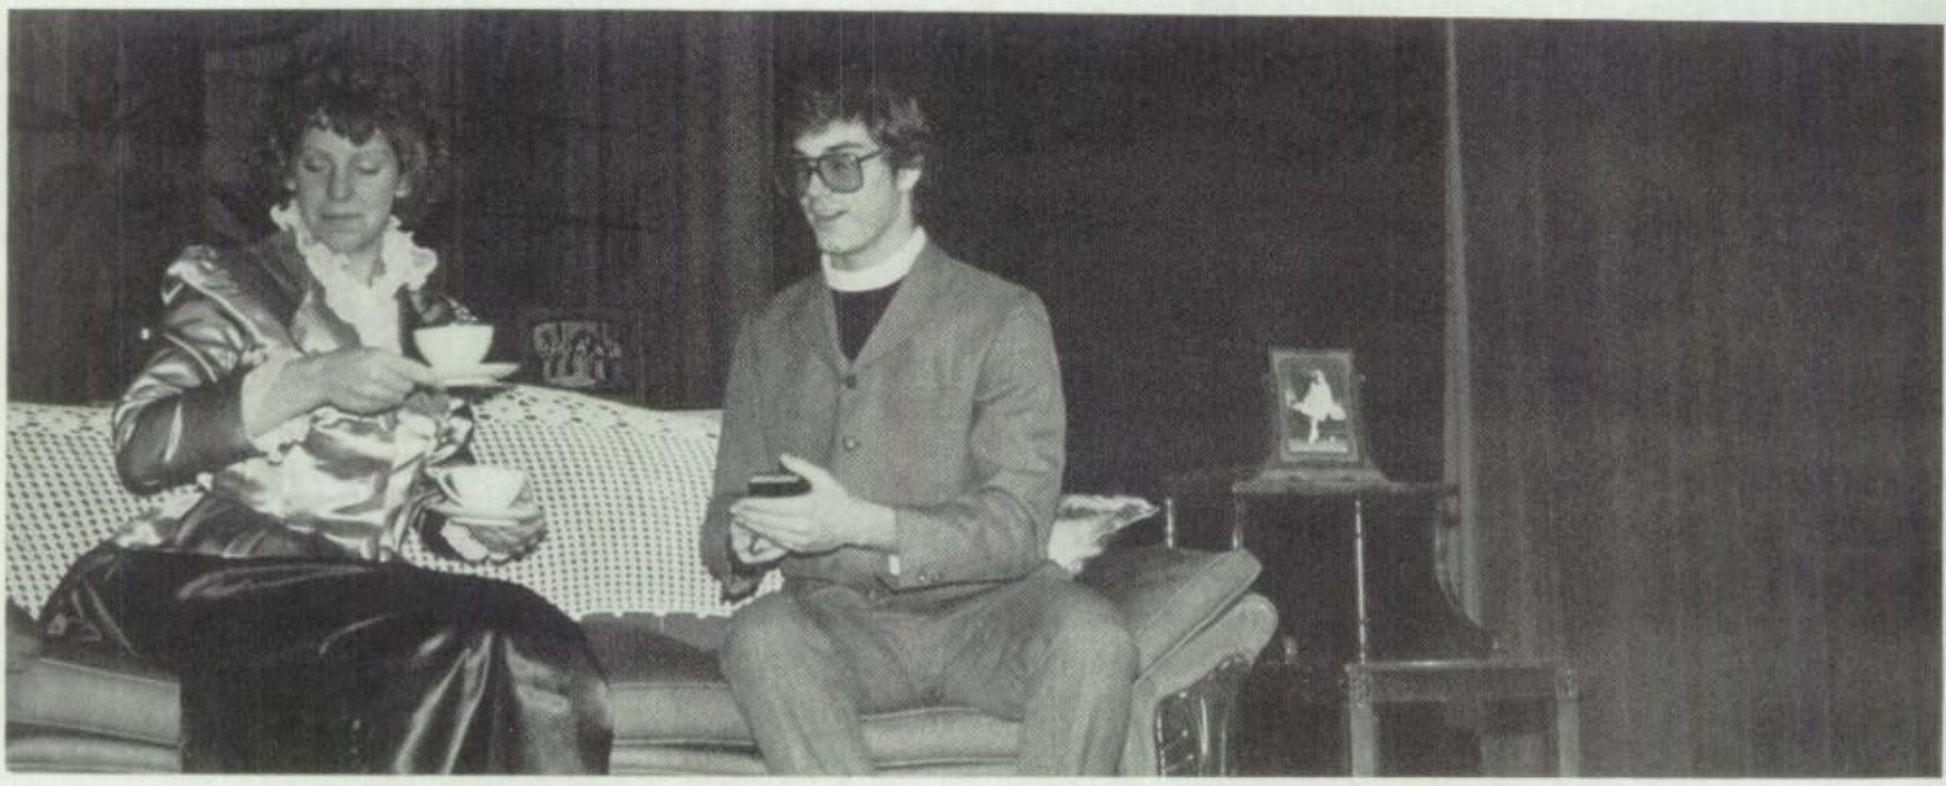
As the years change so do the fashions. Along with new fashions, old ones became more popular. Docksides were still worn by many people and the Nike population continued to grow. The football season brought on the Lions and enthusiasm was seen on T-shirts, posters and signs with the familiar phrase 'another one bites the dust.' 'Who shot JR?' was the question on everones lips as the most popular television show Dallas was viewed in homes on Friday nights. Doctors became more popular (or at least the scrubs worn by them). A change over form jeans to pleated skirts was noticeable as the 'preppy' look came into style. Monogrammed sweaters were also a big part of people 'Walking In Style.'

RED REIGNS IN FALL PLAY

As Harlen(Jim Reimer) comes down in the morning he gives mother a kiss.

Director, Mr. VanDecar decided upon a favorite play,'Life with Father.' The cast and crew, working together to achieve their best, received a standing ovation the final night of the production by the enthusiastic audience. Father Clarence Day was depicted by senior Floyd Rumohr, while junior Lynn Navigato portrayed Vinnie Day, the mother. Floyd and Lynn, as well as the remainder of the Lakeview Players, worked many long hours to bring about a successful presentation.



While enjoying tea and crumpets, Mrs. Day and Dr. Loyd (Don Wheaton) carry on a conversation.

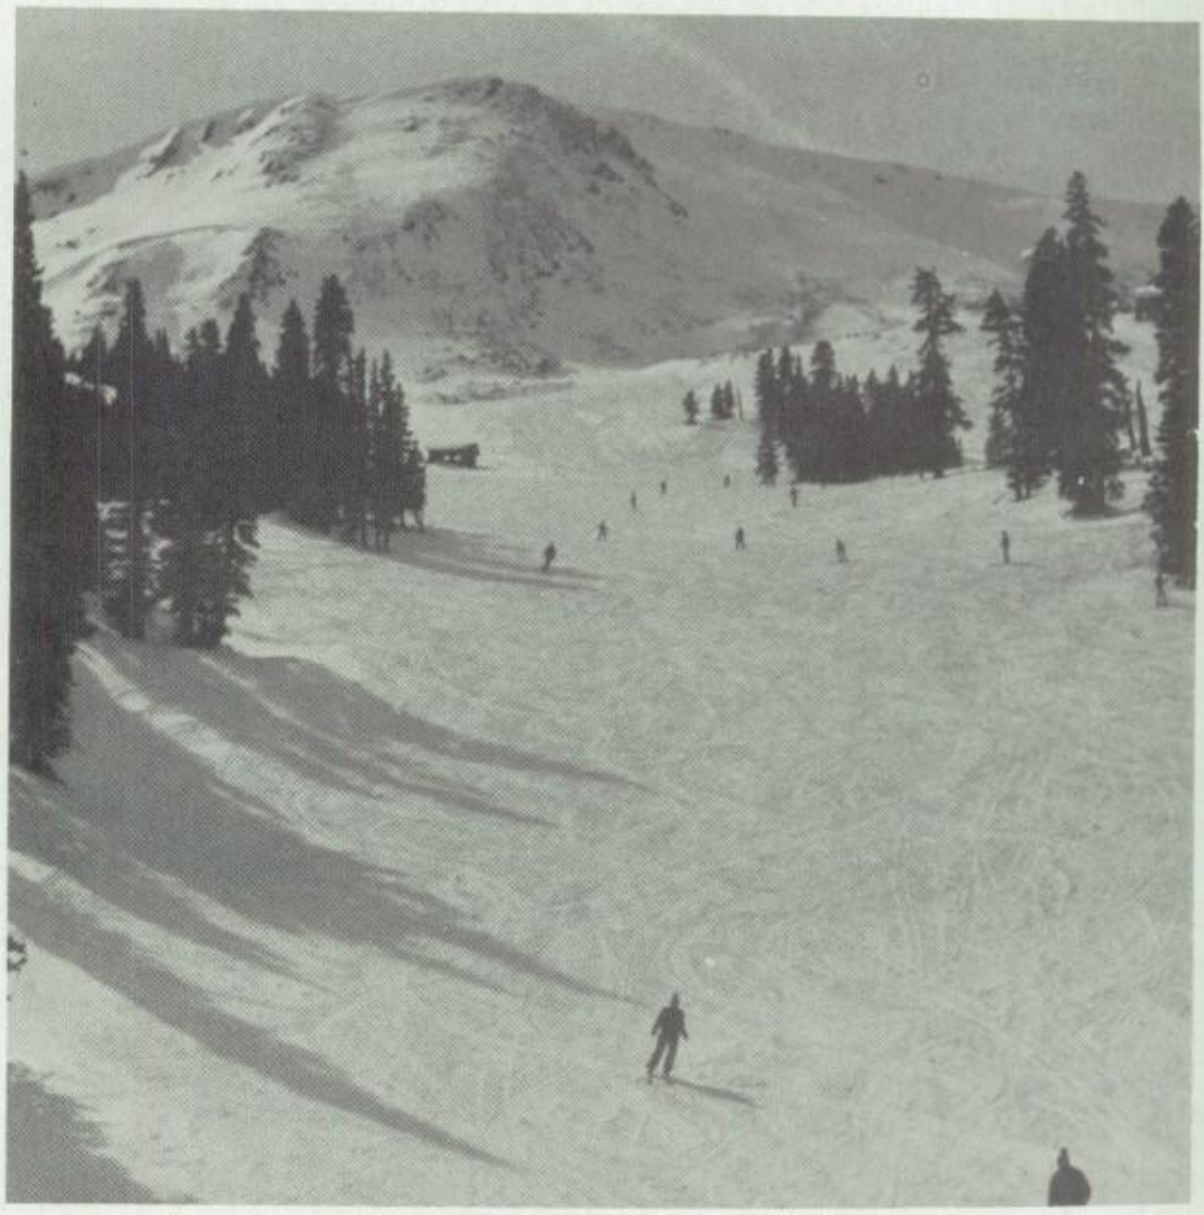
Sitting and listening in the Day's house is what Mary (Tammy Cinquemanni) and Cora (Sara Dean) are doing.

Walking off in style is John (Ed Stevens) followed by Whittney (Bill Schwarts).

While working on the head set, students director Eileen Kent shows us how it's done.

HEAD FOR THE MOUNTAINS

Skiers enjoy the beautiful scenery of Colorado.



GONE WEST-During the past several months, twelve seniors debated whether to go skiing in Colorado or not to go at all. Despite the weather conditions, the decision was make to go.

On February 6, 1981 the seniors set out for the slopes in Denver, Colorado for eight days of non-stop skiing, where they would stay at Mr. Schaublin's Chalet. They skied many different areas including Copper Mountain, Keystone, Vail and Breckenridge. They added two more areas to ski this year, Loveland and Beaver Creek. All the areas were loved by one and all.

GONE EAST-Soon after Christmas vacation ended, twenty-seven seniors along with their chaperones, loaded four vans and headed for the Canadian Mountains. Continuous snowing made the driving long and dangerous, but it was appreciated the next morning when the skiers were able to enjoy the fresh foot of powder on Blue Mountain.

The seniors were able to experience beautiful skiing like never before. Along with the bad jokes, card games and many pranks, the skiers have many memories to remember.

CAST TRIGGERS A BANG OF A SHOW

Annie (Tammy Cinquemani) and Frank (Don Wheaton) seem to be getting along for the moment.

Musicals are the thing this year. Expecially when your in them. Excitement arose when "Annie Oakly" appeared on stage. It was the type of play that kept you on the edge of your seat.

The play was a success and there was a great turn-out. The people responsible for the play are: Mr. Ellis, Mr. Paciorek, Miss Swan, and Mrs. Wendell.

Assemblies are a vital part of the learning process here. These assemblies serve a dual purpose; being both entertaining as well as educational. An assembly provides a more than welcome invitation to sitback, relax, and enjoy. During the year the Student Congress provided a number of informative and enlightening assemblies presented to the student body.. presented to the student body. Among the more memorable were the Cedar Pointe Revue and the magical merrymaking of Christo the Magician.

On October 9, 1980, Mrs. Martin, accompanied by Mr. Guirlinger traveled to the historic site of Stratford, Ontario along with a group of 38 eager students. Everyone agreed that the trip to Stratford, to see the jplay "Much Ado About Nothing" was an event that will long be remembered.

An aerial view at Stratford reveals that students had a show inside as well as out.

The old disappearing candle trick once again mystifies Christo the Magicians audience.

SECOND ANNUAL COMING HOME ESTABLISHES TRADITION

On March 27th, the Huskies won their 2nd annual Coming Home game, defeating Clintondale by a score of 71 to 51. The court was presented at half time with Freshman members Nick Fazzola and Rod Vitale, Sophmore members Craig Lanzon and Andy Leone, Junior members Keith Teuke and John Vitelli, and Senior members Matt Cervone, Bob Gaglio, Bob Finazzo, and the new King Anthony Casasanta.

The dance on Saturday, March 28th was a huge success. Everyone enjoyed the music provided by a disc jockey, and didn't want to stop dancing when it was time to go.

John Vitelli and his escort Lori Masar await their introduction during the half-time cerimony.

BREAK TIME AT LAST

The yuletide cheer is enjoyed by Diane Zainea and Karen Ziegler during a wintry December day.

Ringing up totals and making change are all part of Joe Huot's job as a cashier.

From 4A to 5B is a time to relax a little, eat and socialize. Sandwiches, hot lunches and chips are commonly seen at lunch tables. One thing missed this year by the students is pop. The new state law is that no carbinated drinks are to be sold during lunces. Most students say their favorite thing for lunch is pizza or spaghetti. Due to high inflation, the price of white milk was raised to ten cents, chocolate to fifteen cents, which is still inexpensive. Luckily lunches have stayed the same price and stayed as good tasting too.

A place to learn new business skills is the Husky Store. The students who run the store say they are benefiting from working there. The store also gives the students a chance to get a tastey treat during lunch

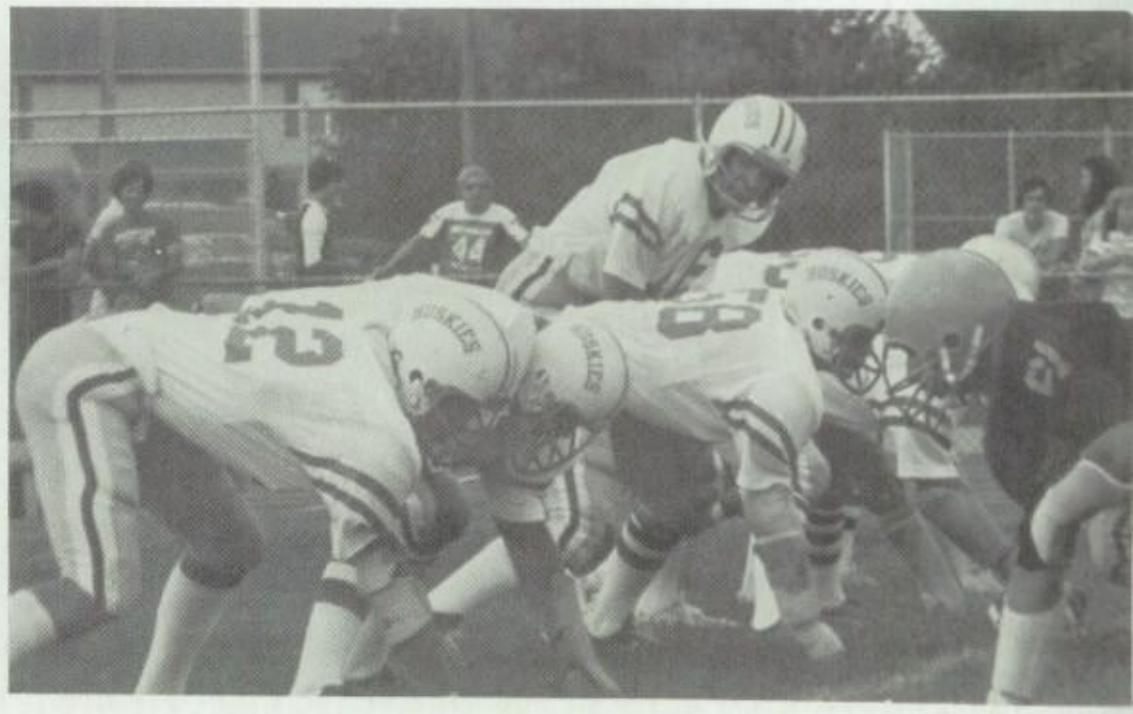
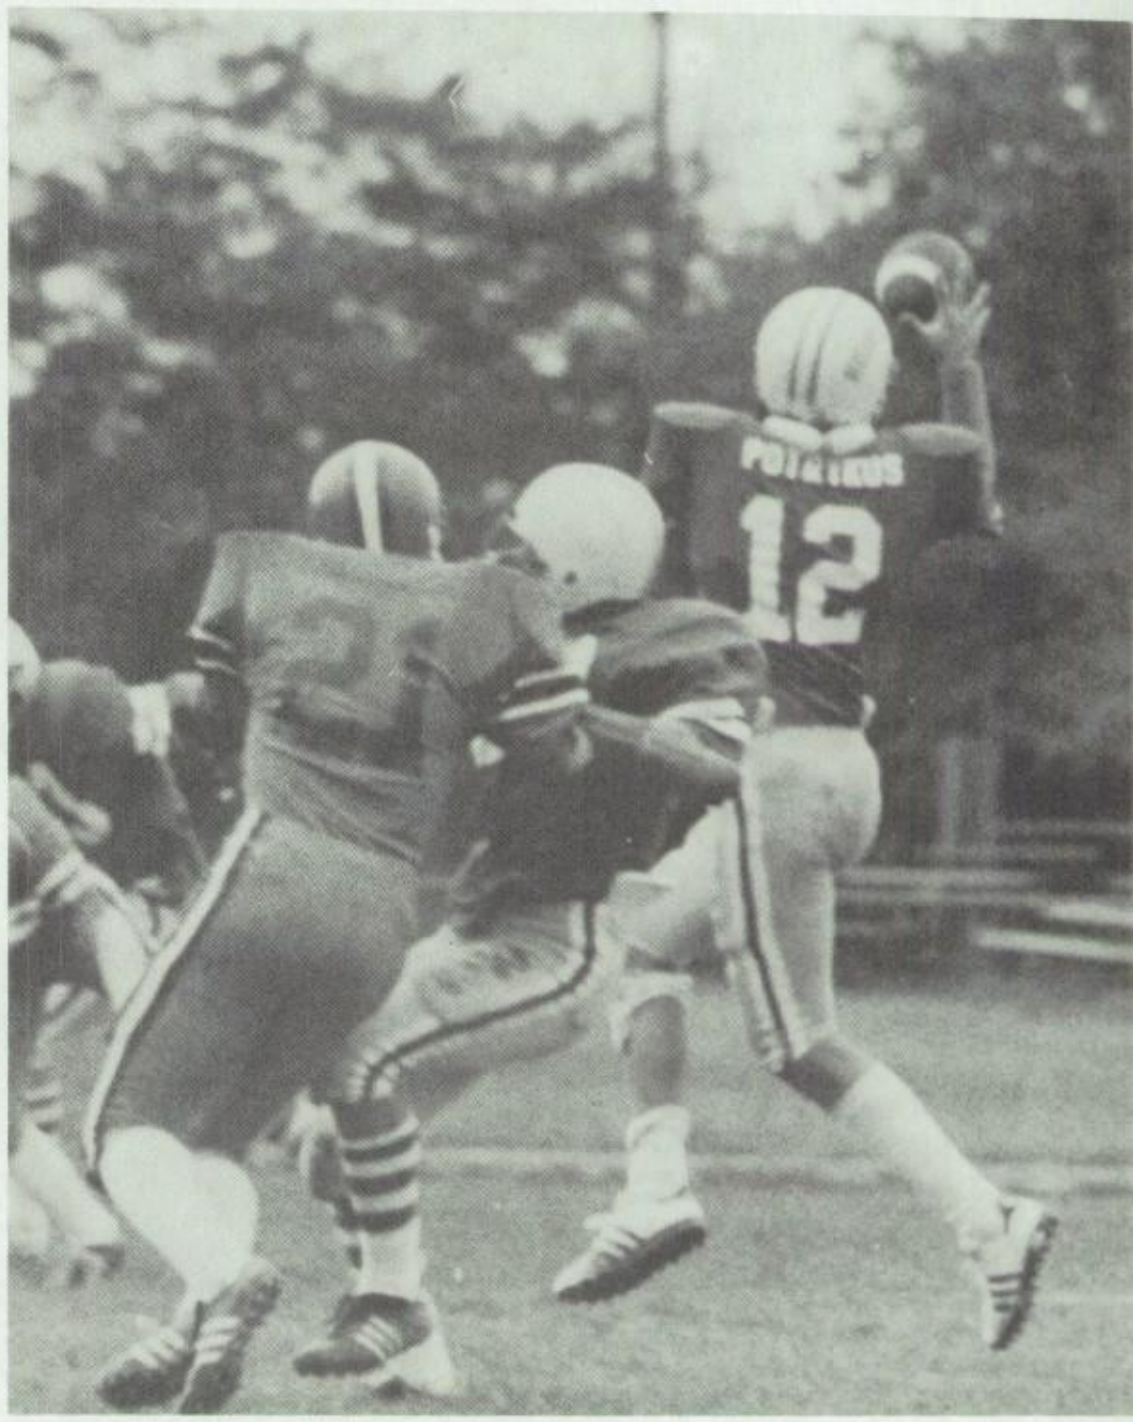
LATE SEASON RALLY TIPS SCALE FOR WINNING SEASON

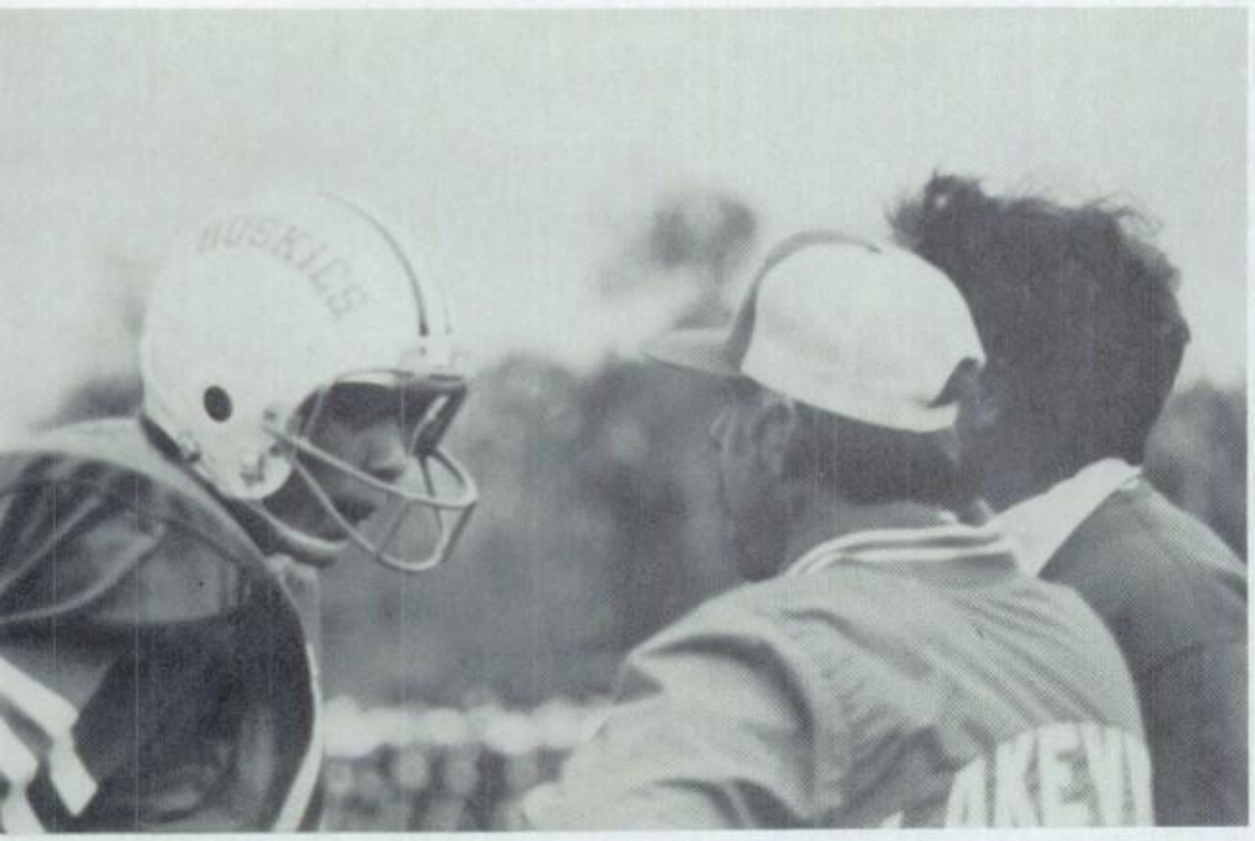
LHS	Varsity Football 5-4	OPP
7	Fraser	14
6	Fitzgerald	41
7	Grosse Pointe South	42
41	Brablec	7
0	Lake Shore	21
8	Grosse Pointe North	6
14	Clintondale	0
7	L'anse Creuse	6
33	East Detroit	8

The offensive unit gets set as quarterback Jeff "Bo" Craig calls the play against Fraser.





Going up to grab the ball is Jim Potrykus as Mike Schuit holds off a Norsemen defender.



A conference at the sidelines enables quarterback Jeff ''Bo'' Craig to get the calls from Coaches Martin and Garden.

All Bi-County League wide receiver Frank Badalamenti exhibits his dexterity.

They came in like lambs, but left like lions. 14-7, 41-6, and 42-7 doesn't substantiate a strong start by any means. But, after coming out on the low end of those scores, the Huskies bit back against Brablec 41-7.

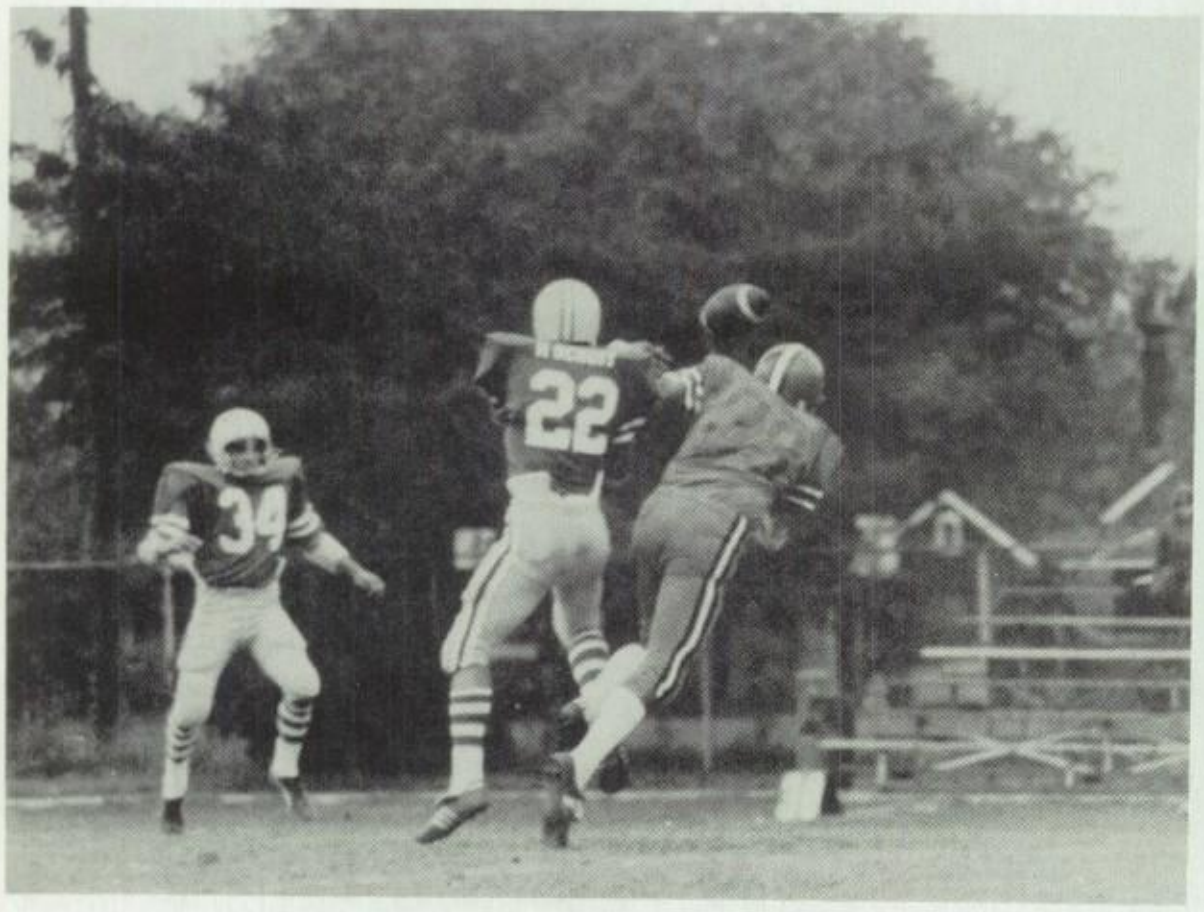
The following week a 21-0 sole-season shutout against Lake Shore marked the final loss of the season. Geared up for the highly-ranked, cross-town rival Shorians, a tough defense held the game even until the third quarter. Aided by a short, in-the-wind punt and a 15 yard penalty, the Shorians were finally able to cross the goal line. Two fourth quarter TD's put the game out of touch.

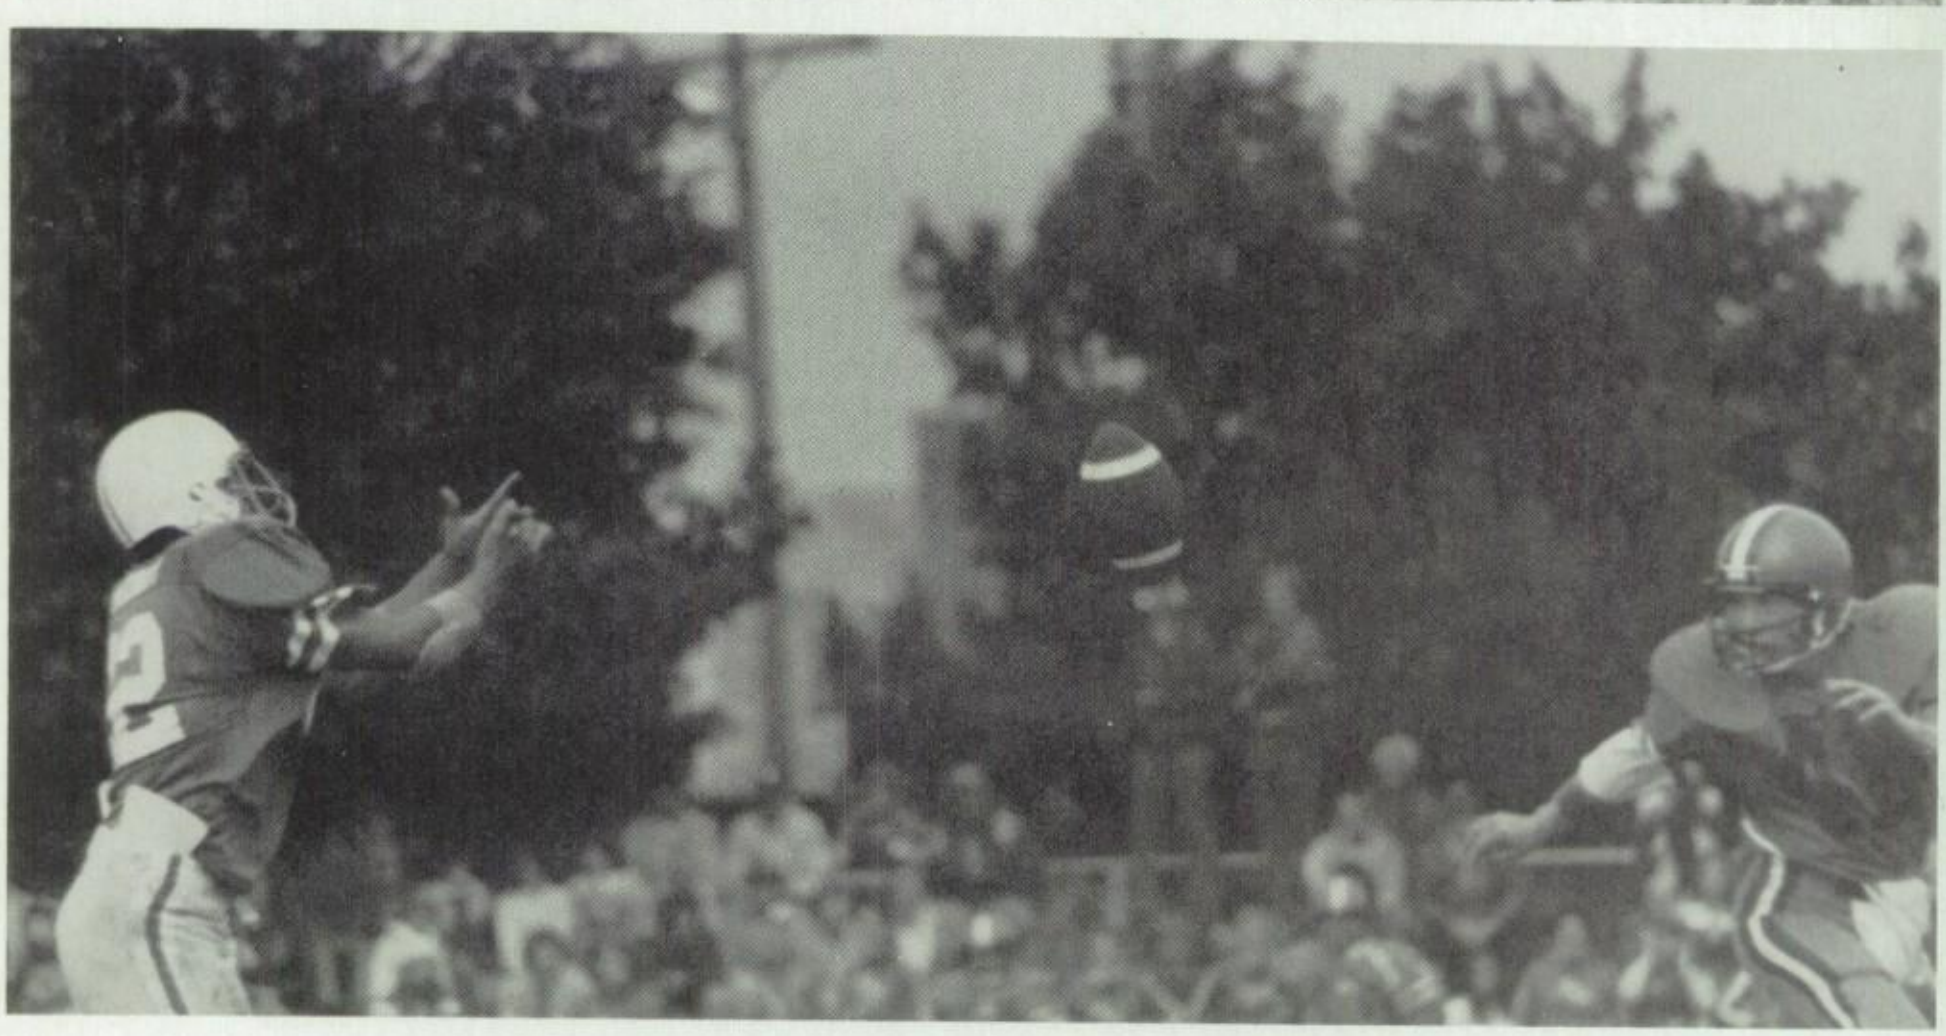
Defenders Keith Teucke, Chuck Massie and Joe Wieske receive special intructions from Coach Eckinger.

KEY VICTORIES LOCK UP SECOND PLACE

With feet flying, Bob Finazzo sprints into the endzone for his first of four touch downs against Brablec.

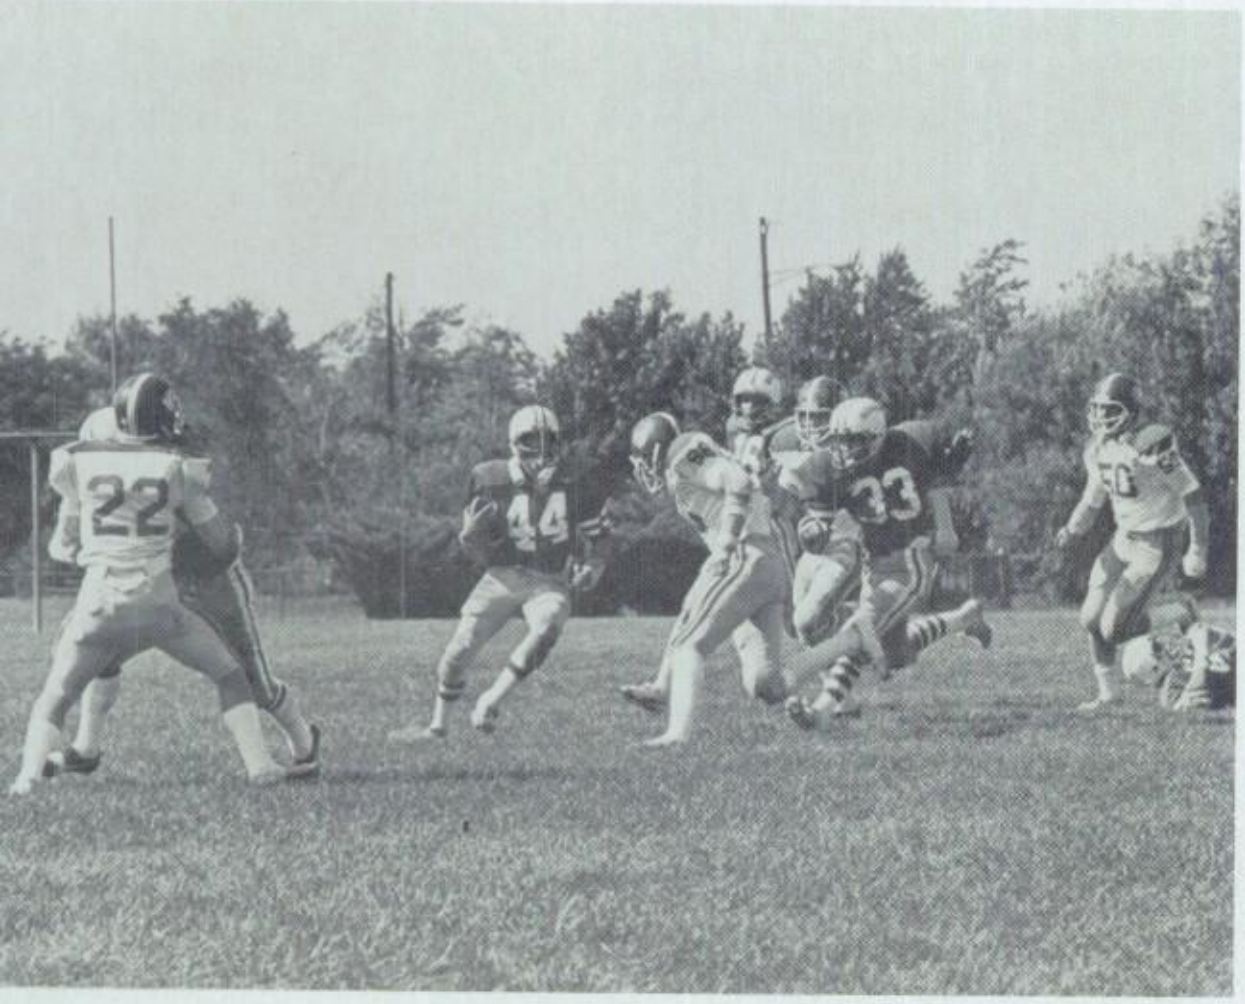
Another pass play is broken up by Mike Schuit as safety Frank Badalamenti come in to help.





Defensive back Mike Schuit reaches out to intercept the ball and gain possesion from the Norsemen.

IN LEAGUE



An off-tackle play sends Bob Finazzo down the center, as Devantier, Craig and Pannecouk clear the way.

arsity Football: Front row; Ed Hoffman, Rob Seslar, Mike Bate, Jeff Dunn, rank Badalamenti, John Heck and Don 'Skip' McCain. Second row; Paul 'ernet, Steve Magar, Larry Mazza, Jody Tavalier, Bill Koles, and Andy Leja. hird row; Ed Westwook, Olaf Schueler, Kris Minanov, Brian Lach, Larry 'orden, Coach Kerry Eckinger, and Coach Dave Garden. Fourth row; Mike eVantier, Adam Schroll, Keith Teucke, Dave Pullen, Chuck Massie, Paul liver and Coach Jim Martin. Fifth row; Bob Finazzo, Tom Hannon, Ken cAdory, Sam Marion, Steve Vitale, Steve DeCoste and Mike Quatrine. Back w; Mike Schuit, Tom Pannecouk, Jeff 'Bo' Craig, Steve Zurdosky, Jim otrykus, Tom Lucido and Dave Schuit.

A 144 yard game for Bob Finazzo led the Huskies to a 14-0 shutout in a 'mudbowl' at Clintondale. Homecoming against L'anse Creuse came the following week. Finazzo rolled up 179 yards, but even this was not enough as the score remained 0-0 at the end of regulation time.

The Lancers took the ball first and scored, but a bad snap cost them the extra point.

The Huskies then took the ball, and on fourth and six, Frank Badalamenti came up with a Bill Koles pass to tie the game. Rob Leidecker kicked the extra point for the winning edge.

Halloween night-the final game at East Detroit. Entering with a 4-4 record, this game would either put the Huskies over or under the .500 mark. And a 33-8 romping of the Shamrocks put them over. Skip McCain gained 108 yards, icluding one 70 yard touchdown run.

Finishing 4-1 in the Bi-County League put the Huskies in second place. Five players were named to the League first team: Bob Finazzo, Offensive Back; Mike Bate, Offensive Guard;Frank Badalamenti, Wide Receiver; Mike Schuit, Defensive Back; and Chuck Massie, Linebacker.

Receiving team honors were: Bob Finazzo, Most Valueable Player, Offensive Back, and 1980 Co-captain; Tom Hannon, Offensive Lineman; Mike Schuit, Defensive Back; Dave Schuit, Defensive Lineman; Jeff Craig, Most Improved; Skip McCain, Husky Hustler; Paul Oliver, Scholar Athlete; Mike Bate, Special Teams; Chuck Massie.

Passing is of the utmost importance as demonstrated by junior John Vitelli.

Showing his pre-game form is senior Bill McHenry.

Despite his two opponents, Bill McHenry manages to put it up for two points.

In a season which many felt would be disappointing, due to the fact that the team was inexperienced, actually began fine when the Huskies jumped out to a 9-4 mark. But as the season wore on the inexperience began to show and the season ended with a 10-10 record.

The team was led offensively by the scoring of Steve Beltowski and Tom McClary and supplemented with the slick passing of Andy Leone. Defensively the Huskies were anchored with the intense play of Jeff West and the shot blocking of Bill McHenry. Depth was provided by senior Kevin Haggerty, juniors Joe Oster, Randy Russo, John Vitelli and Tom Zontini as the underclassmen gained valuable playing experience. All in all, the Hustlin' Huskies provided us with many exciting moments.

While performing at Circus World the girls stop to pose with their favorite clown.

Working together as a team was the whole problem. But after weeks of practice the girls proved they were the best team around, earning the title "U. S. C. A. National Grand Chamion 1st place team." Also earning titles of their own, Marie Smark and Julie Abel placed 13th and 15th, and received the title "U. S. C. A. National Grand Champion Individual."

Being Champions the team was invited to go to the Tangerine Bowl in Florida. After having car washes and selling candy, plants, and ads in the shopper newspaper they were on their way to sunshine! Appearing at Disney World was one of their honors.

But what we'll all remember most is how the girls cheered our football and basketball games on to victory.

The team practices outside before a game.

Concentrating on their pop up, Char Tyree and Julie Abel do their best.

Enjoying the dance tremendously is Alison Stewart.

ENTERTAIN-MENT AT ITS BEST

Timing and precision allow for another entertaining performance by the Huskettes.

Posed and ready for the dance to begin is Vicky Marion.

Keeping in shape for their performances are various members of the team.

The team members show off their first place float during the Homecoming parade.

Back row; choreographer Kelly Roberts, coaches Nan Schmelzer, Dawn Gough. Nancy Detloff, Mary Fitzpatrick, Colleen Cossette, Marshelle Green, Sue Wooten, Carol Fountain, Kelly Grey, Janet Asaro.

A little excitement is added to the home basketball games with the help of the Varsity Huskettes. The squad is headed by coaches Nan Schmelzer and Dawn Gough. The choregraphic work is done by Kelly Roberts. The team practices several times a week to put on their enjoyable show for the faculty, students and parents.

Halftime allows Craig Lanzon to take a well deserved break with the rest of the team in the endzone.

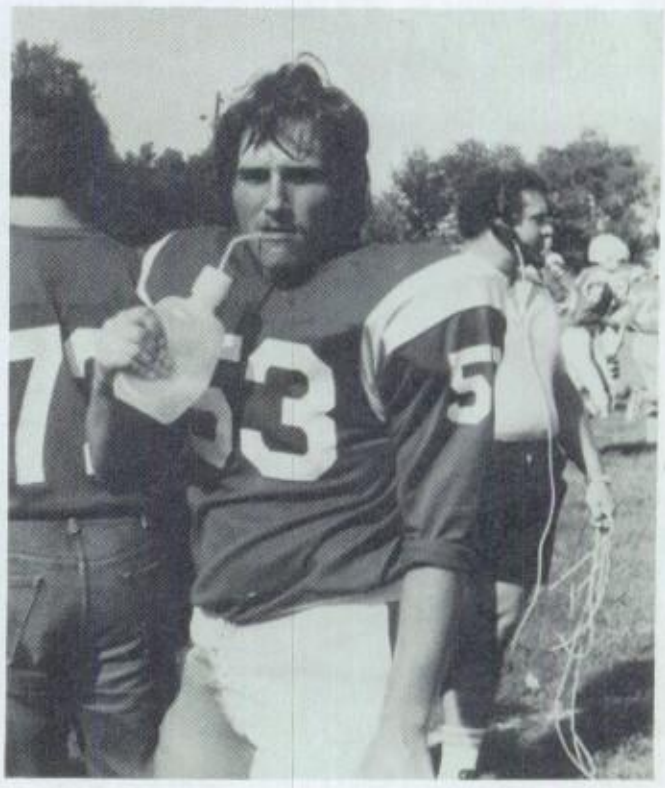
The 'Hustling Huskies' rolled over eight straight and tallied up five shutouts on the way to a Bi-County League Championship.

Most Valuable, Jim McCarthy gained 340 yards rushing. Quarterback Andy Leone was chosen as the Best Offensive Player. Leone passed for 650 yards, 191 yards were received by Jeff Schlomer and McCarthy had 106 yards on receptions.

George Zsude, Best Defensive Player; Craig Lanzon; Rob Noble; McCarthy and Schlomer led the tough defense, which only had 35 points scored against it all season.

Their 'team' pride and spirit also was responsible for the victories they tallied. It was present at all times: before, during, and after games. Breakfast together at Chez Robert, before; fine play exhibited on the field, during; and a chorus of 'Another One Bites The Dust,' after.



On the sidelines, a drink of water tastes good to tackle Steve Hentrich.

Concentrating on form, Joe Kruszyna poises himself for a free throw.

It's extremely difficult to relate to something you haven't experienced. JV basketball is no exception. Many people have seen a JV game, but few really know the behind-the-scenes goings on. Here is an insight to a typical practice.

Arrive around 4:00, get dressed and then jump rope. Take a few shots and wait for Coach Conti to arrive. When Coach Conti gets there, meet on the bleachers to discuss the next opponent. Start practice at 4:30, go through various drills-tipping, defense slide, three on two-two on one, then break for water at 5:30. Return and shoot twenty-five foul shots and then go up and down (scrimmage) until 6:30. At this time a hard practice is over, go back home.

This type of practice lead the JV basketball team to an impressive 12-8 record. The efforts of Brian Krus (Most Improved) and Ken Witkowski (Most improved) deserve special recognition as do the efforts of the entire JV squad.

Eyes up on the dribble enables Jim McCarthy to drive to the basket.

Eager to start another cheer is freshman Karen Kozikowski.

The JV cheerleaders went to Lansing, Michigan for National Cheerleading Competition sponsored by U.S.C.A. they competed against teams from many states and placed sixth. They also attended the Oakland Macomb Competition held at Lakeview.

The J.V. squad started out the football season with six girls, but before basketball started two new girls were picked to join the squad. All of the girls had a very good year and their experience in competition will be beneficial.

Half-time shows were presented by the J.V. Huskettes.

IV Huskettes keep to the beat as they perform a varsity kick routine.

This year 12 sophomore and freshman girls combined to make a swinging debut as the new J.V. Huskettes. In the past, there was only huskette entertainment during home varsity basketball half-times. During the J.V. half-times there was a dull 10 minute break. Well thanks to the coaching of Lisa Richardson, Gina Schmelzer, and Kim
the dull J.V. half-times were filled with dazzling dancing performances by a group of talented J.V. Huskettes.

During basketball season the girls spent many hours practicing. Every Wednesday and Thursday they would meet at Ardmore from 8:00 to 10:00 p.m. Within these hours the girls learned many routine steps and kicks that would together make J.V. half-times more pleasurable.

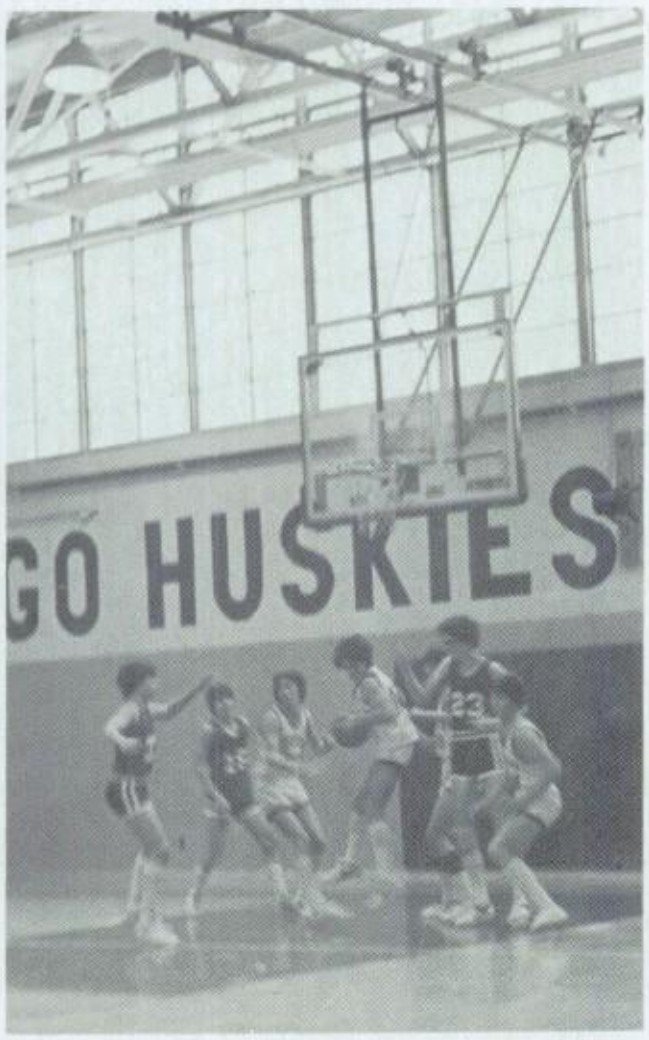
Ripping down a rebound is guard Ed McCarthy.



Since last year the two previous freshmen basketball clubs have shown a great amount of potential. With season averages well over .500 who can complain?

In basketball a team must consist of many different types of athletes. You need height, speed, consistency to maintain a well balanced team, and this ball club displayed all the necessary components to bring on a well finished season.

Throughout this season, early prospects were promoted to the junior varsity team but were well wanted where they came from to make one unit. If it weren't for the good coaching skills of Jim Capoferi, this season might not have been a well rounded success.

Out jumping another opponent is Mary Verhaverbacke.

Before the game at the Silverdome the team stands for the National Anthem.

Even though the season was not a winning one, a chance to play at the Pontiac Silverdome topped off this year's season. A hard fought game was lost to Anchor Bay by a score of 40-55. Determination and hard work were two characteristics displayed by all who participated.

There were a few injuries which hurt the team because there were only a few healthy people on the bench, to the team went through many exhausting games.

Special recognition should be given to Lisa Panetta and Kim Meyers. Lisa was voted to the first team All Bi-County and Honorable Mention All Macomb County, along with being elected Most Valuable Player. Kim was also voted Honorable Mentional All Macomb County. All the girls put forth a great effort during the entire season.

The season was beneficial in some ways. There were only two seniors on the team, Mary Verhaverbacke and Lisa Panetta, so valuable experience was gained by the younger team members.

J.V. HUSTLE PRODUCES SEVEN WINS

At half-time Coach Hafeli mentions a few errors as the girls take a rest.

A shot goes up from an opponent as Su Loef, Ellen VanAntwerp and Cheryl Pric get ready for the rebound.

Putting in two more points is Ellen VanAntwerp.

Michelle Pons explains and important play to Coach Hafeli.

With great interest, Coach Hafeli and the girls on the bench watch the game.

The girls had a fairly good season. They played many difficult and tiring games in which they did not come out on top. Their victories showed hustle and determination.

Quite a few games the team was not at full capacity because of sickness. In one such game against South Lake four of the five girls on the starting line-up were unable to play or if they did it was for a very short time.

The girls showed high spirit whether they won or lost. When they did lose the girls knew they had something to work on and also learned from their mistakes.

The most memorable game of the season was against a tough South Lake team. South Lake had only lost one game before they played Lakeview. The girls beat South Lake in double overtime and a very exciting and exhausting game.

An orange towel which was present at all the games served as a good luck piece and a bit of condolence in losses.

Plenty of experience was gained by the Freshman Baketball team as they posted a record of 7-11. According to Coach Labach, 'They played together as a team and each player made her own share of contributions. Although they were small in number, their courage and sheer determination carried them through a successful season.' But more important than that, 'We really had fun,' was one player's comment.

Kelly McHenry showed her contributions by scoring 103 points, making her the Most Valuable Player. The entire team should by commended for their accomplishments and achievements throughout the year.

Taking time for a silent moment before the start of the game, is Jeff "Bo" Craig.

Finishing strong is State Runner Bob Michielutti.

Many good things happened to the cross country team during the season. They had the biggest team in Lakeview history-37 runners (31 boys, 6 girls). They tallied up records of 10-3 for the varsity boys and a 6-2 girls record.

One of the greatest accomplishments is qualifying for the state meet. There were two boys that did this. Matt Krassa placed 30th and for the second year in a row Bob Michielutti placed 12th. The girls faired a bit better by winning the Macomb County Championships and qualifying as a team to the state meet.

Making the Bi-County team were Michielutti and Krassa. Tracey Carrier, Ann Case and Cathy Collins qualified for the Girls Bi-County team.

If all of this isn't enough the junior varsity had an 8-3 record. Many individual runners excelled throughout the season.

The boy's swim team had an overall successful season, placing second in the Bi-County Swim meet and upseting Lakeshore by ten points. Many new swimmers combined with the veterans made the team one of the best.

Sophomore, John Klueck with much hard practice qualified for State. Many attempts were made to break records and make State qualifications, by next year some of those dreams will become realities.

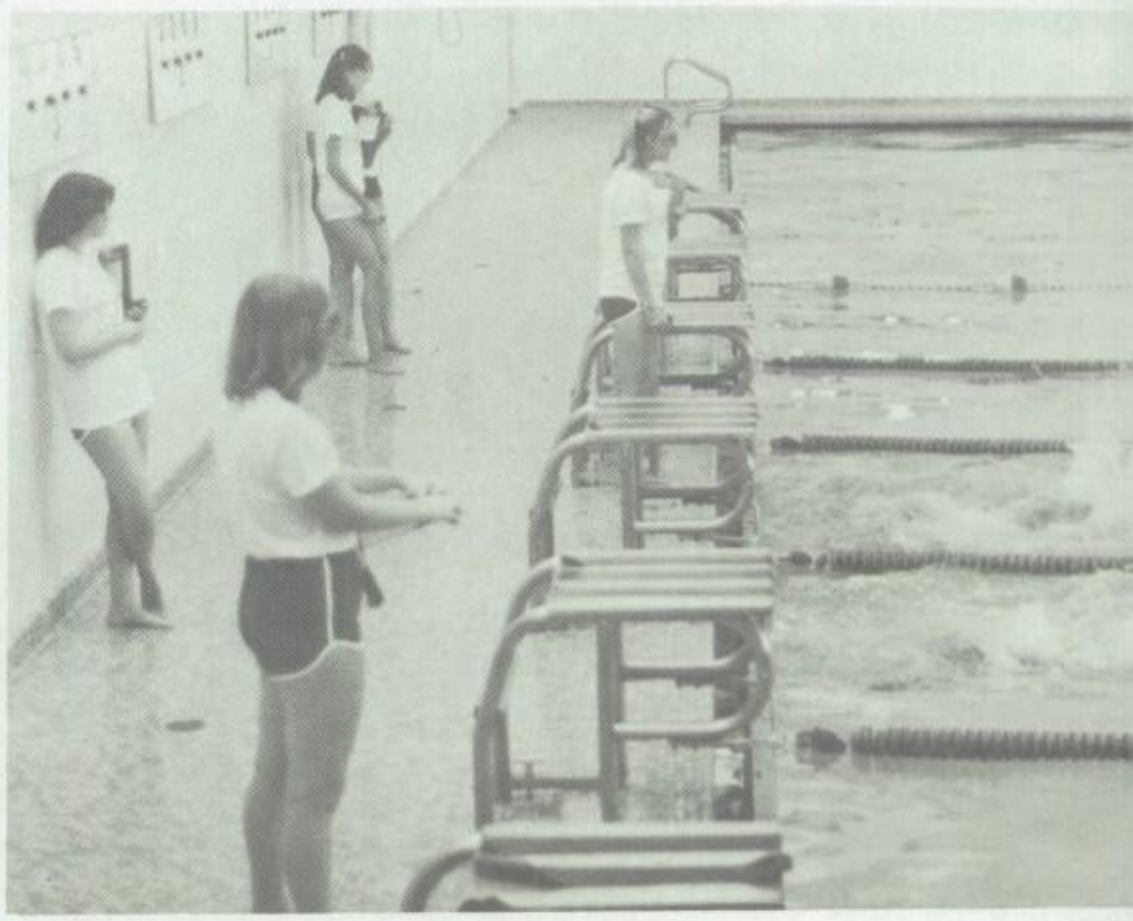
TIME IS ON OUR SIDE

An important function of timettes is to make sure all results are recorded correctly.



A long race allows for a little timeou for the hard working timettes.

Hardly noticed, a tremendous amount of work is being done by a devoted group of individuals. From timing races, to recording, to announcing, their work is rarely rewarded. A simple toss in the pool, by the thankful swimmers, gets the timettes wet, but just recognition for a job well done.

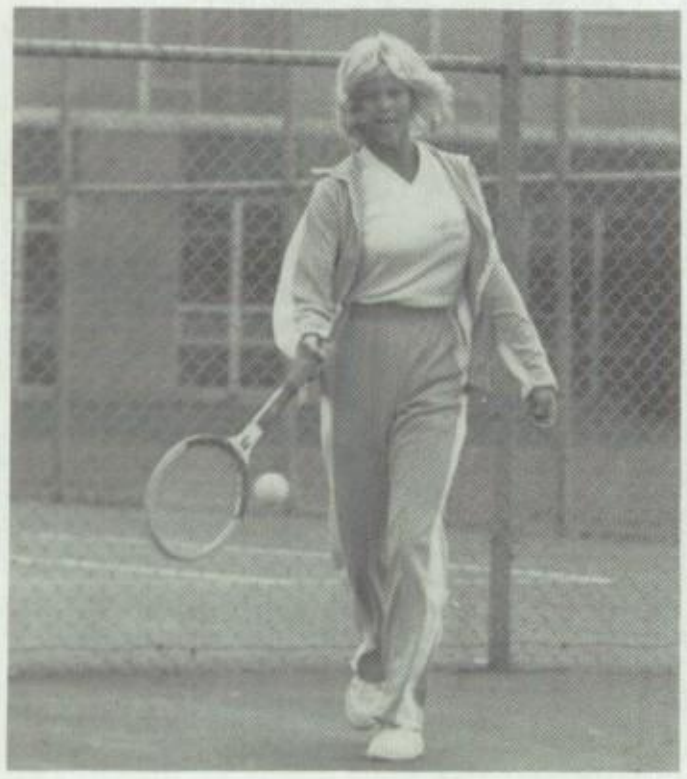
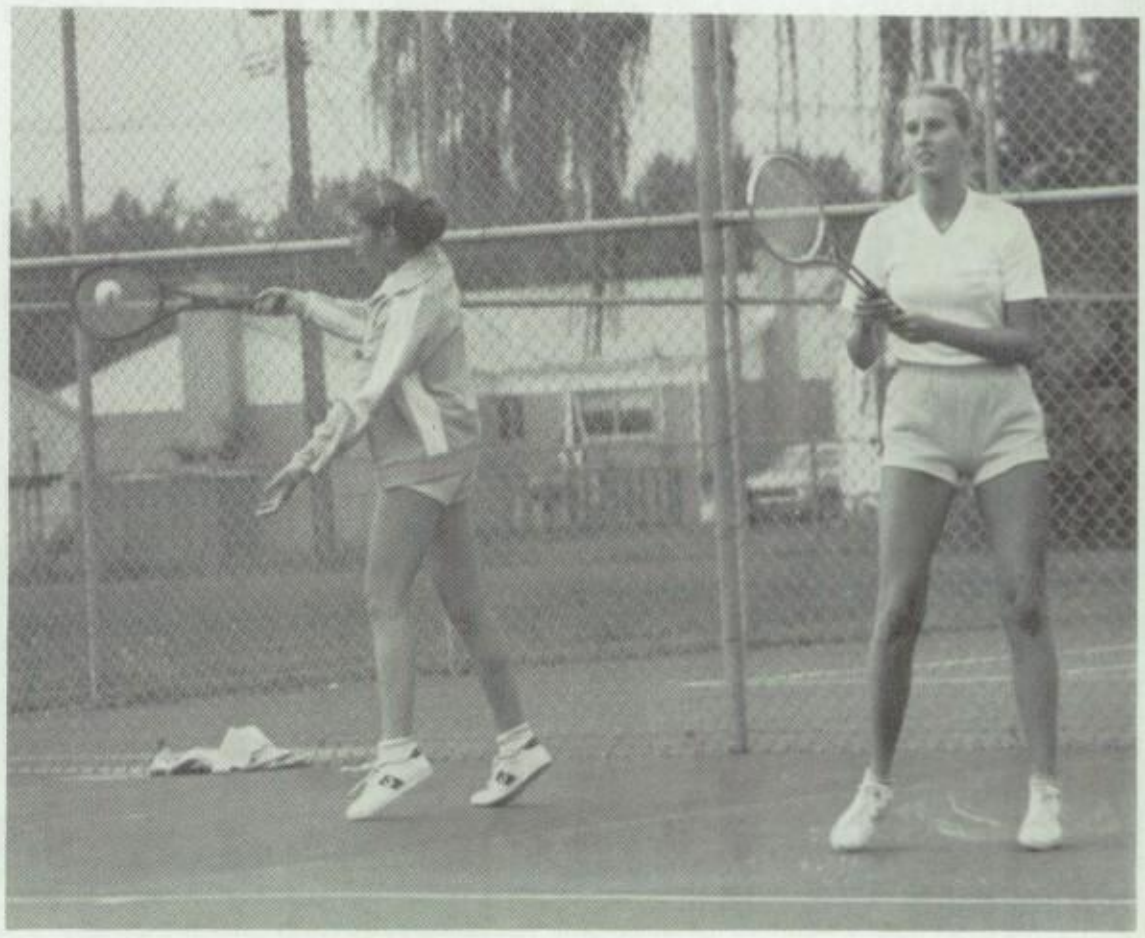
NETTERS "LUV" WINNING SEASON



Vigorous warm-up before an important match, allows junior Kris Watts, the added advantage to victory



Waiting for the match to start against Gross Point North, Mary Kay Shields and Cathy Brumer practice returning serves from their teamates.

Third place in Bi-County, fourth in Regionals and second in League Meet, this impressive record shows that the team put forth a tremendous effort.

Everything was not always easy for the girls. Three of the key players form last year had graduated and Coach Kopas was hospitalized for two weeks, but with a season record of 10-5 it can be seen that their strength and unity pulled them through the tring times.

The Most Valuable Player award went to Patti Flanagan; Most Improved, Lisa Lamprides; Paul Tinsman Award for leadership, Denise Furton; and Best Freshman, Jeanine Hutyra.

Determination and good team support was the core of the golf team. Despite a record of 1 and 10, the average loss was 1½ strokes per man. One of the highlights of the season was a performance against Grosse Pointe North on a tough Lochmoor course. Even though the team lost, they played very well with five players shooting in the mid-forties.

When the banquet rolled around the team's coach, Miss Charles, had a tough time deciding who would win the four special awards. Taking this year's Rookie of the Year was freshman Alex Macko, followed by Most Improved Terry Piotrowski. With senior Dave Busam being the golfer with the edge on low scores, he clutched the Most Valuable Player plaque. A new award this year, The Best Dressed, Pat Fitzpatrick seemed to be the classiest choice.

Blocking the opponent's shot is Matt Cervone, while Gary Kettlehut holds off another opponent.

Getting the last shove in is senior Steve Maynard as he tangles with an opponent.

Starting off the season with a slow start, the hockey team put much effort and determination into their game. After dropping seven straight games to their opponents, the icers bounced back in the new year to win two straight and three out of their first five games.

Highlights of the year were the two upsets over first-ranked Fraser and fifth-ranked Catholic Central. The team was then recognized by opponents to be a tough team and not to be taken easily.

Moving into the playoffs the team drew Southfield for the first roung game of the regionals. Loosing a close fought battle all the way until the last ten minutes where they ended with a five to two disappointment.

When the All-League team voting by the coaches was over, three players were elected on, Pat Fitzpatrick getting second team forward, and voted on the third team was defenseman Tom Hannon along with goaltender Matt Cervone.

At the team's banquet at the end of the season, five awards were given out, with five seniors being honored. Voted MVP was goaltender Matt Cervone; Best Defenseman, Tom Hannon; Highest Scorer, Pat Fitzpatrick. Receiving the Most Improved award was Randy Corbett and getting the Coach's Award was Steve Maynard.

At each and every practice, the volleyball team began to have more confidence in what they were doing. They began to really play hard and were getting better at each practice. Their first win was against South Lake, and from there they climbed up toward several more victories.

'The spirit, togetherness, devotion, dedication, pride and dignity,' stated Coach Larry Hines, 'began to take form.' By the middle of the season, the girls on the team began to show good form and good play.

The team showed a strong defense and put everything they had in each game. Each of the girls had a lot of fun, while at the same time they were making a big accomplishment.

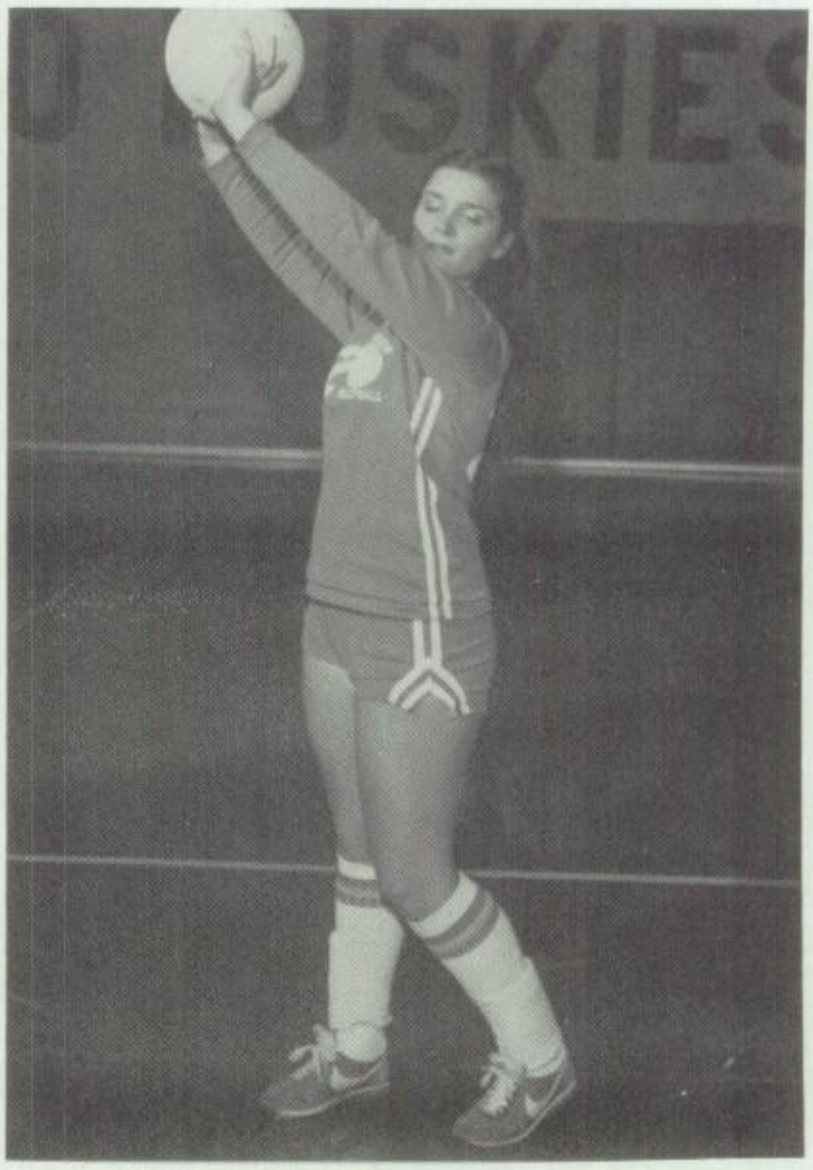
Tipping the volley ball is demonstrated by Carol Marcel.



Starting from scratch, like your homework, is difficult to say the least. That is what coach Camepa, and Coach Hines did with the J.V. Volleyball team. Taking a group with a limited or no knowledge of the various aspects of volleyball, Coaches Camepa and Hines made remarkable progress.

This remarkable progress is reflected through a respectable and exciting record of 6-11, 5-7 in the Bi-County. The level of team play as well as individual skills increased as the season wound down. All in all, the team had tremendous fun and their mark on the varsity team of the future.

Positioning, a key to winning, is shown by Carol Marcel and Jill Saxton.

TOO CLOSE FOR COMFORT

Gracefulness and balance are two skills required of a gymnast, as shown by Angela Krassa.

Performing every trick to the best of they're ability is what every gymnast has to do. Especially since every gymnast is not only competing for the team but individually too! Although the team was very talented this year, so were the other teams. Many meets were either won or lost by the smallest of margins, making it ''too close for comfort.' Overall the girls improved and competed to the best of their ability.

Louise Cianciolo was voted most dedicated with Michelle Lawrence Most Valuable and Theresa Brennan Most Improved.

Lots of good times resulted and many friendships deepened. The gymnasts not only worked hard but they had fun while doing it.

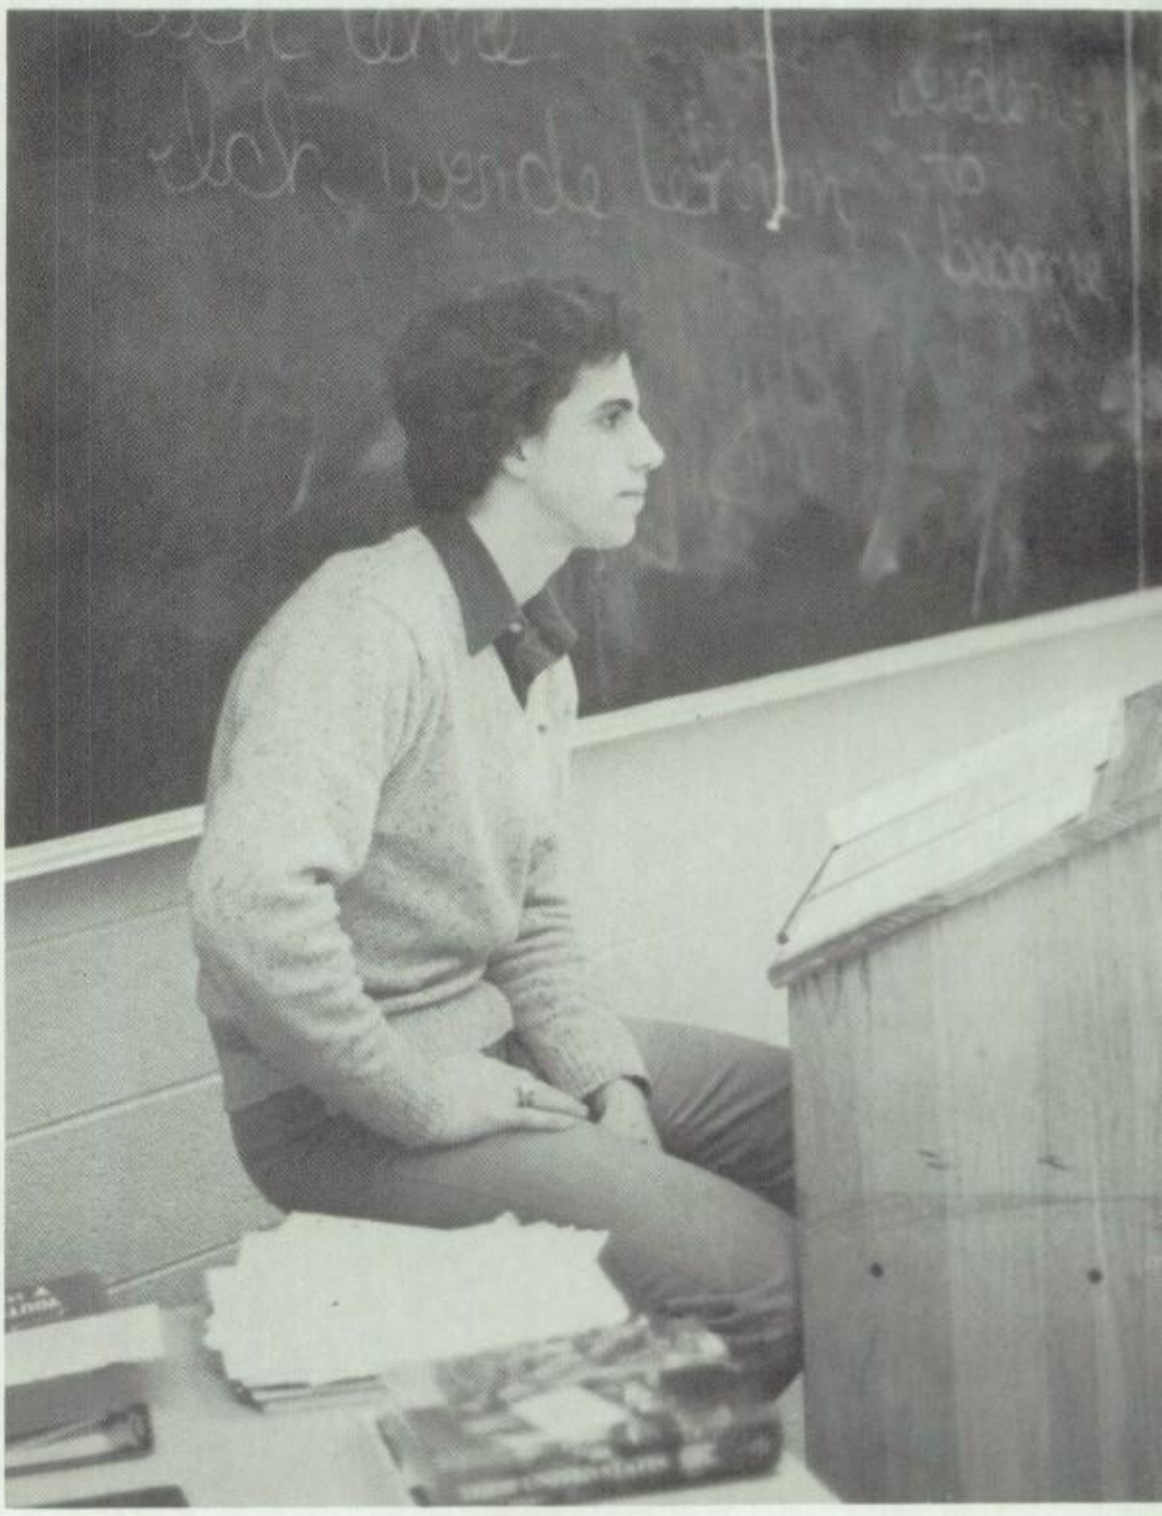
LEADERSHIP WIDENED THROUGH HORIZONS

Getting in the Christmas spirit is Kim Kucyk selling candy canes for Student Congress.

Student Congress and Y-Leadership combine their efforts to govern our school efficiently. Instead of being as after school activity, Student Congress has been added to the curriculum. The students now meet one hour a day to discuss school matters.

Student Congress helps to highlight the students day by selling candy for special occasions and sell tickets to a large variety of assemblies.

Y-Leadership does many things in place of seniors. They went to Lansing to write bills and legislation. They have weekly meetings after school to provide them selves with the education they need to became outstanding students.



President of Y-Leadership, Mike Kraft discusses future matters.

PAPER STAFF KEEPS THE HUSKY ROLLING OFF THE PRESSES

Gathering information, writing up stories, and the printing of the paper is only part of the confusion of putting together a paper.

Mr. Hafeli, the new advisor, and the Husky Staff have changed the character of the newspaper. The larger sized Husky has been replaced by a smaller version, containing many interesting articles and stories. Each writer establishes themselves with each article composed.

After many hours are spent talking to people and researching for information to put in their stories, writers then begin to put all their resources together to come up with a finished product.

With much help from the staff and a cooperation from the student body the paper is produced and sold each month.

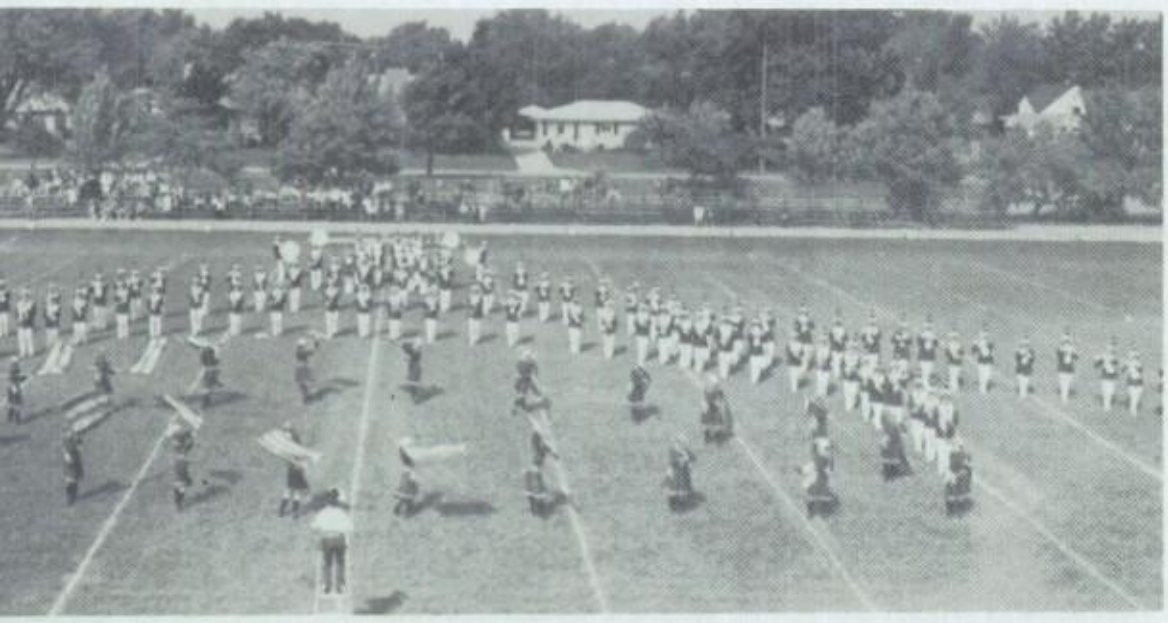
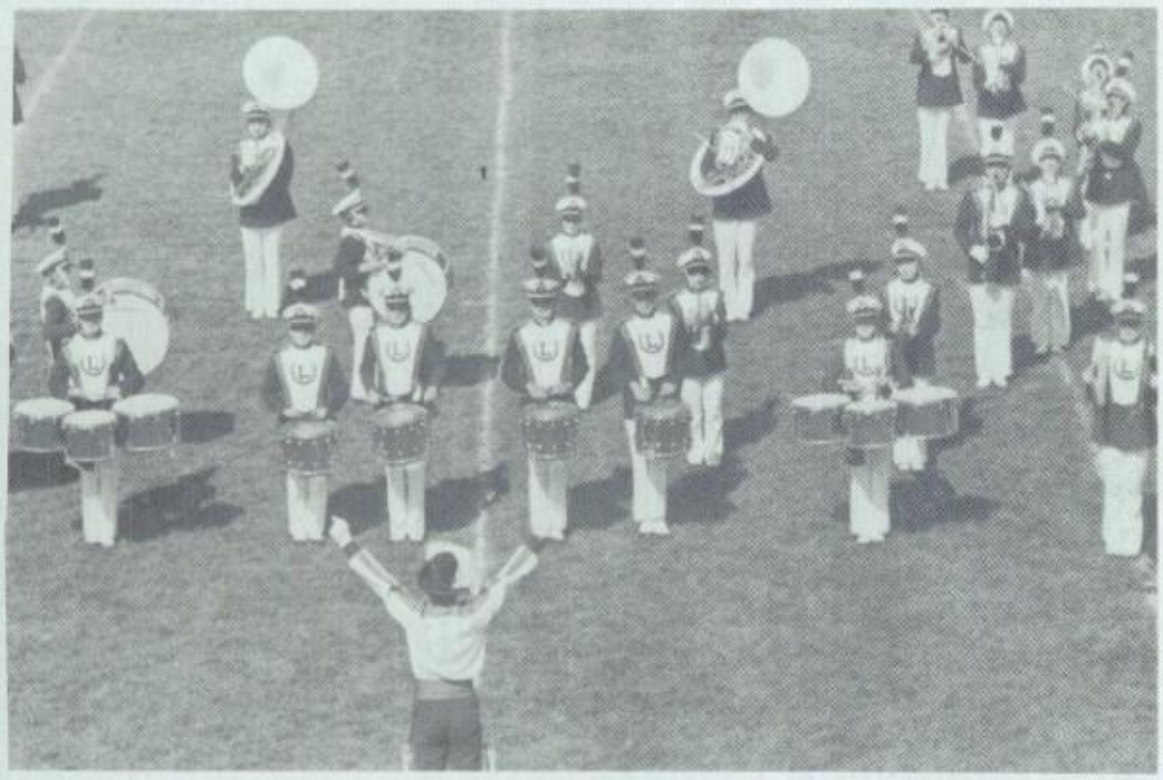
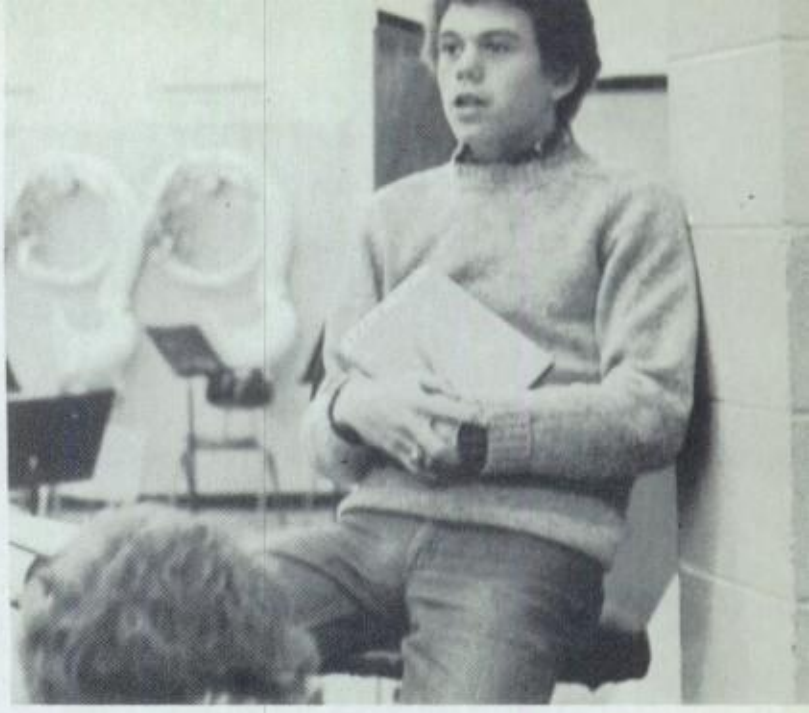
During a time-out in the game, th pep band starts up a musical piece.

The finale of "New York, New York" is highlighted by the flag work of the color guard.







The ultimate decision on a Pep band musical selection is made by senior Bob Michielutti.

The Silver and Blue Marching Machine entertains the crowd with the sounds of "Slaughter on Tenth Avenue."

The band started off the season by going to band camp. They work many long and tiring hours putting together a fantastic show. After many hours of hard, tiring practices the band was ready. Their first competition was at Clarkston High School. The band received a second in class A. Then to National Competition in Toledo where the band finished in the top third. Then it was on to Flint where the band placed second in class A and Drum Major, Mike Raybaud received best Drum Major award. The nest competition was closer to home. It was at Lake Shore stadium. Fourteen bands participated and our band received the highest score. The last competition was in Durand where the band received their highest score of the season.

The pep band is always a thrill to listen to at home basketball games. The members all enjoy playing to please the crowd and give our team pep.

BANDS MAINTAIN TRADITION OF QUALITY

Precision, technique and style are only part of playing an instrument. Each student has to work individually in order to perform well as a band. By working under the direction of Mr. Course and Mr. Ellis the bands now have a tradition of fine quality.

After a tough marching season the band was divided into two concert bands. The 60 member Silver Band and the 90 member Blue Band. The bands performed at Christman and then started rehersing for festival.

The Jazz band also with a reputation to keep, worked hard all year. By studying the theory of jazz, and learning to improvise the musicans played quite well. Performing at the Spaghetti Dinner was one of the big concerts. While at Central Michigan University the band did an exhibition show.

Together the bands form the wind section for "Annie Get Your Gun."

Junior Steve Lach performs on his trombone.

Mr. Course leads the band.

Allan Wrubel, Mike Knoblauch and Michelle DeHoorne follow carefully.

Blending their parts together, Roy Totzke, Bob Michielutti, Mark Baniak, Jeff Chreston and Norm Scoglione form the trumpet section.

Playing a tune called Four Brothers these saxophone brothers-Tim Parker, Ed Niewiadomski, Mike Raybaud, and Chris Collins perform at an assembley.

ORCHESTRA AND CHOIR - "NOTE" WORTHY ENTERTAINMENT

Sixth hour orchestra members practice their abilities to achieve perfection.

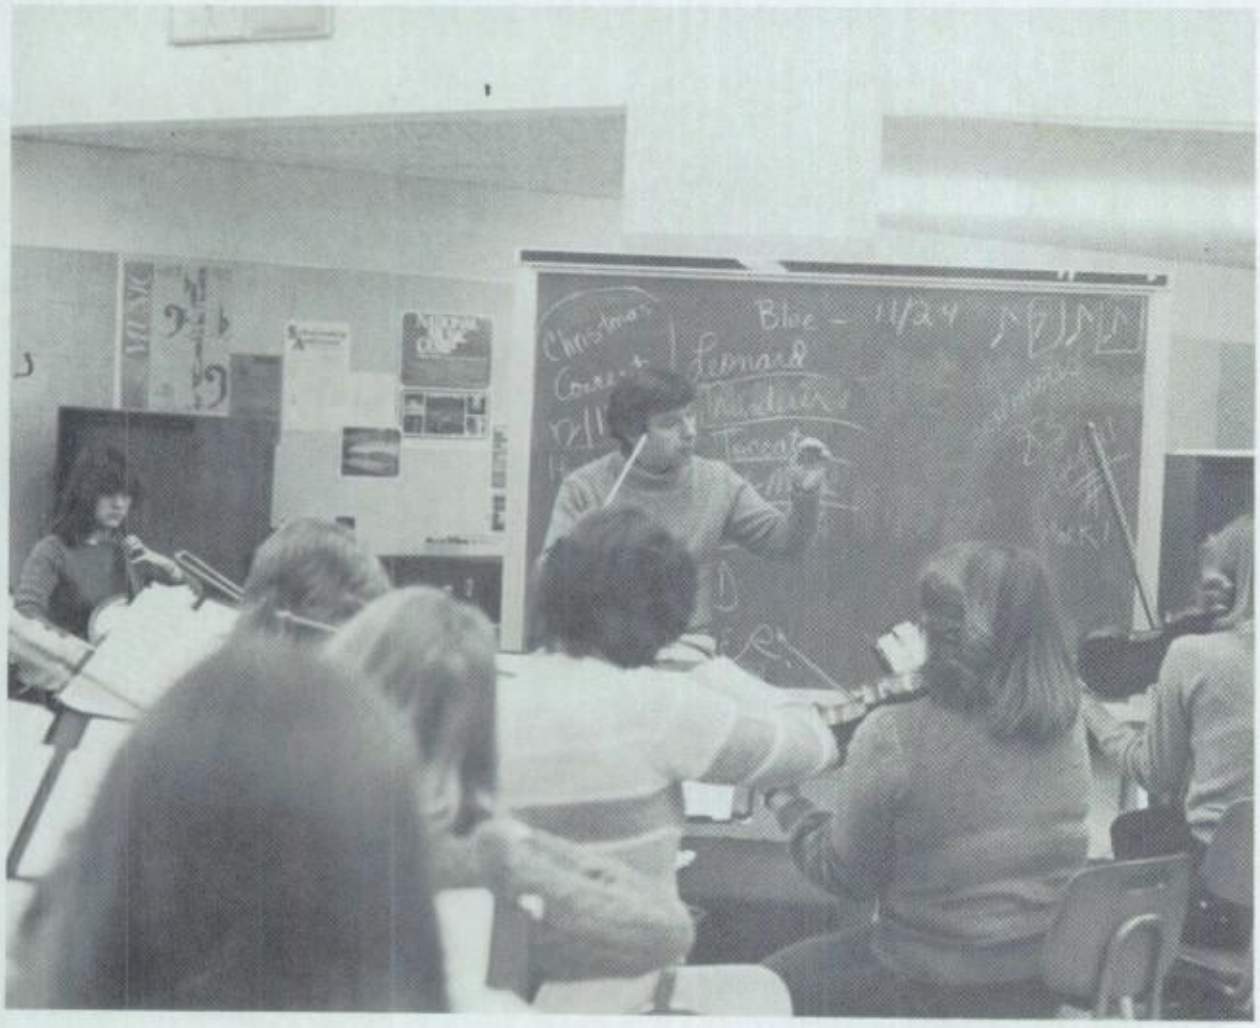
Choir students join in practicing to improve their vocal skills.

The musical department has been highly noted for excelling. Two examples of such acknowledgable courses are Orchestra and Choir.

Under the direction of Mr. Ellis, over fifty students assemble every third hour in room a-28. Here both male and female vocals are united to produce harmoniour melodies.

Mr. Course spends his afternoons utilizing his conductiong abilities with his twenty-six understudies in Orchestra. Students spend the hour expanding their musical talents. Veloas, cellos and violin notes full the atmosphere. These two courses are truly 'note' worthy entertainment.

Junior Mary Richards and senior Sandy Folton demonstrate their talented accomplishments at the Festival Preview.



Discussion as well as performing is a vital part in perfecting musical skills.

Experienced direction is needed as orchestra students keep in time with Mr. Course's motions.

Student directing gives Mark Prichard a chance to perform music from the other side of the podium.

VALUABLE EXPERIENCE IS GAINED AND GIVEN BY COUNSELING ELEMENTARY STUDENTS

Sustance Abuse Members: Mark Prichard, Helen Farley, Kathy Gentile, Lisa Panetta, Dawn Weber, Dave Hines.

Elementary students today have the opportunity to learn much about life as new programs and old ones are made avaliable to them. substance Abuse informed the students of the real dangers of smoking and the use of drugs. Many students benefitted, but the real highlight for the students was the experience of sixth grade camp. There many things were learned as well as the fun time enjoyed by all. More and more programs will be introduced in the years to come along with holding on to the old ones. But all programs are put on especially for the curricular activity of the students.

Just as teams usually have a captain, our Sports Section- Bill Tignanelli, John Farr, Paul Williams, Jim Caiozzo, Eric McDonald, Janice Secum and Leslie Fontaine-were expertly piloted by Jim Corbit.

The geometric outline shows how studious our Academic Section-Maria Veneri, Dora Baltrusaitus, Cathy Zanetti, Margie Demers, Dorothy Kaczmarek, Laura Gesell and section editor Kim Kucyk can be.

Relaxed but poised to spring into action at a moments notice, the yearbook staff doesn't RID around.

A LOT of work went into the Organization Section, not only by Jenny Martin, Mike Wayne, Helen Farley and Tracey Terrell but many others as well.

When the yearbook is delivered in June, if it could talk, the stories it could tell! Not many people are aware of all the planning and work that goes into putting together the yearbook. Many hours of careful and sometimes desparate work are put in, especially when deadlines close in. But it is all worthwhile and very rewarding when the yearbook arrives finished and all the problems behind.

DIVERSE ABILITIES ARE DISPLAYED BY NHS AND DEBATE TEAM MEMBERS

Leadership qualities are only part of the make-up of National Honor Society and Debate Team members.

The NHS, a nation-wide organization, is composed of students with high academic averages, character, service, and leadership abilities. This knowledge will be a big help to them and to others in the future.

The Debate Team members organized their data closely so they could come out fighting in the heat of the debate. They expressed their opinions expertly on "Why the Federal Government should initiate and enforce safety guarantees on consumer goods?"

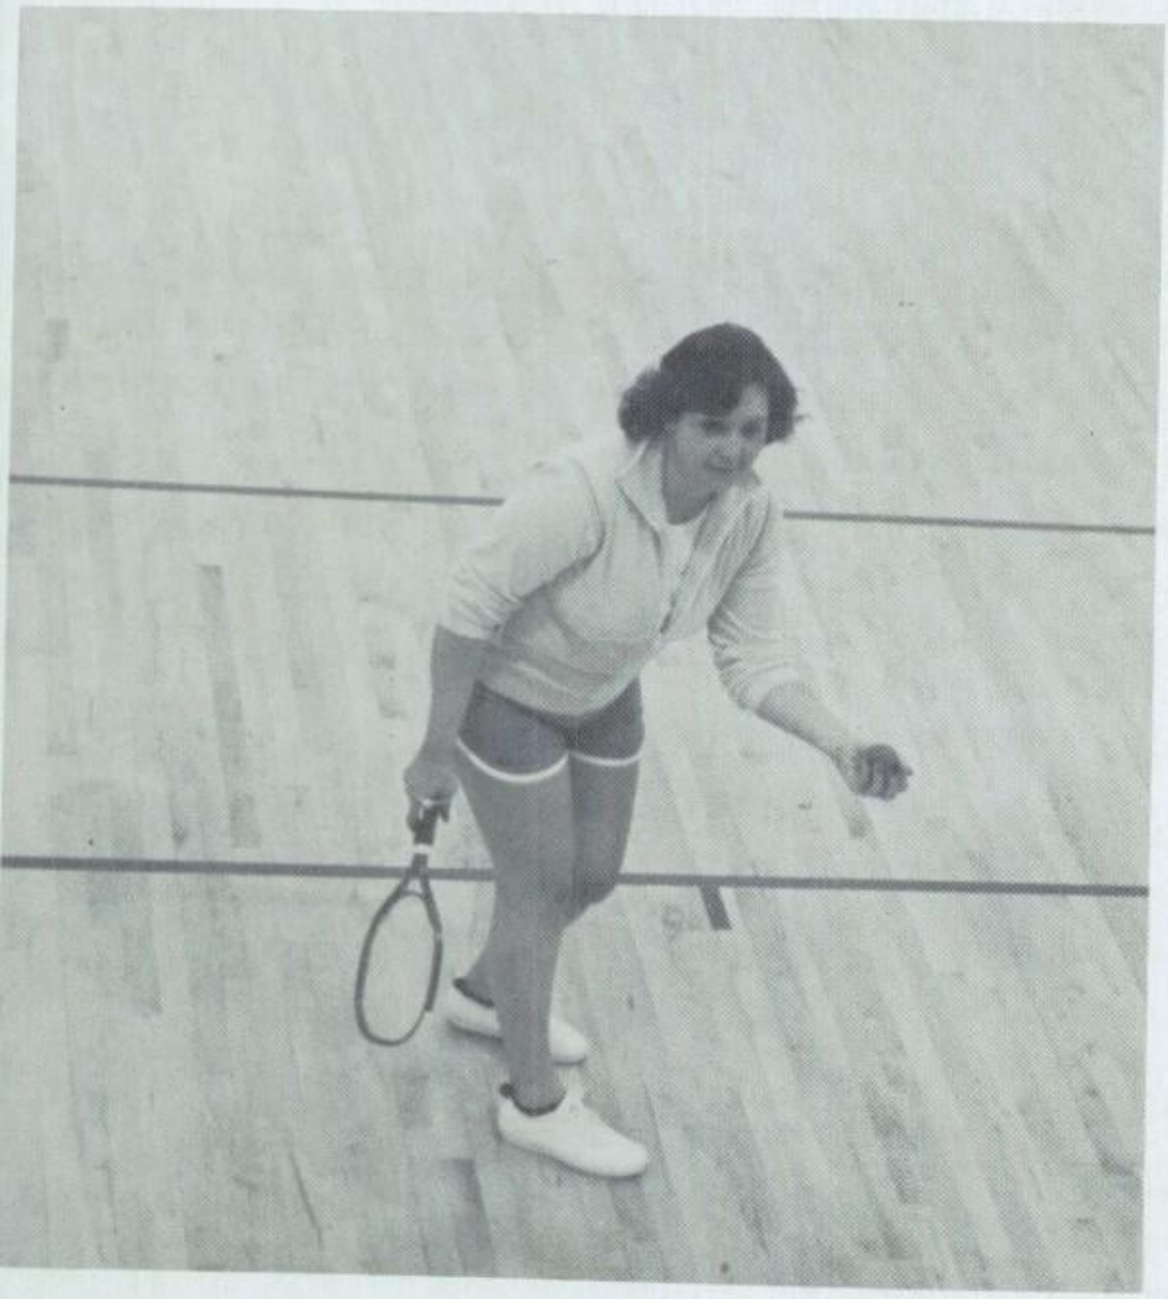
SPARE THE BOARDS; SERVE UP THE BALLS



Feared by man and beast alike, the dreaded disease called Monday-Tuesdayitis is now cured. A select group, the bowlers and racquetballers, have discovered the cure through pure fun.

Mondays belonged to the bowlers. The seventy-odd people belonging to this club looked forward to Mondays. Under the leadership of Mr. Hall, the club sponsor, everything ran smoothly and everyone had a good time.

On Tuesdays the racquetballers took over. This club is made up of teachers and students alike. With the help of the sponsors, Mr. Barret, Mr. Zielke, and Mr. Portlance, the group has a great time along with learning the finer points of this fast growing sport.

A PICTURE'S WORTH A THOUSAND WORDS?

Throughout the year students excel in creative arts. Learning more every day about the aspects of photography and creative writing. Under the supervision of Ms. Sprinkle and Mr. Kirchhofer, the student learns self expression through art. The students display their art projects and writings in the May Arts Show.

'Through the eyes of dreamers' is the book published by the literary journal staff. It contains short stories, one liners, plus many poems. The photography club contributes pictures for the journal, but also for individual awards and mainly to perfect class projects.

STUDENT INVOLVEMENT

For those students who enjoy speaking a foreign language there are two clubs to choose from. These are the French and German Clubs. Both clubs have meeting in which they plan their trips and activities.

The German Club entered a decorated car in the Homecoming Parade. They also went to Frankenmouth and went shopping and out to dinner. They've had two parties, Sylvester Party and Fasching Party. Also on their agenda, they dined at a German resteraunt named Little Cafe.

The French Club went to Toronto to where they went shopping and to a resteraunt. The members and Mrs. Cherney aslo did some French cooking after school.

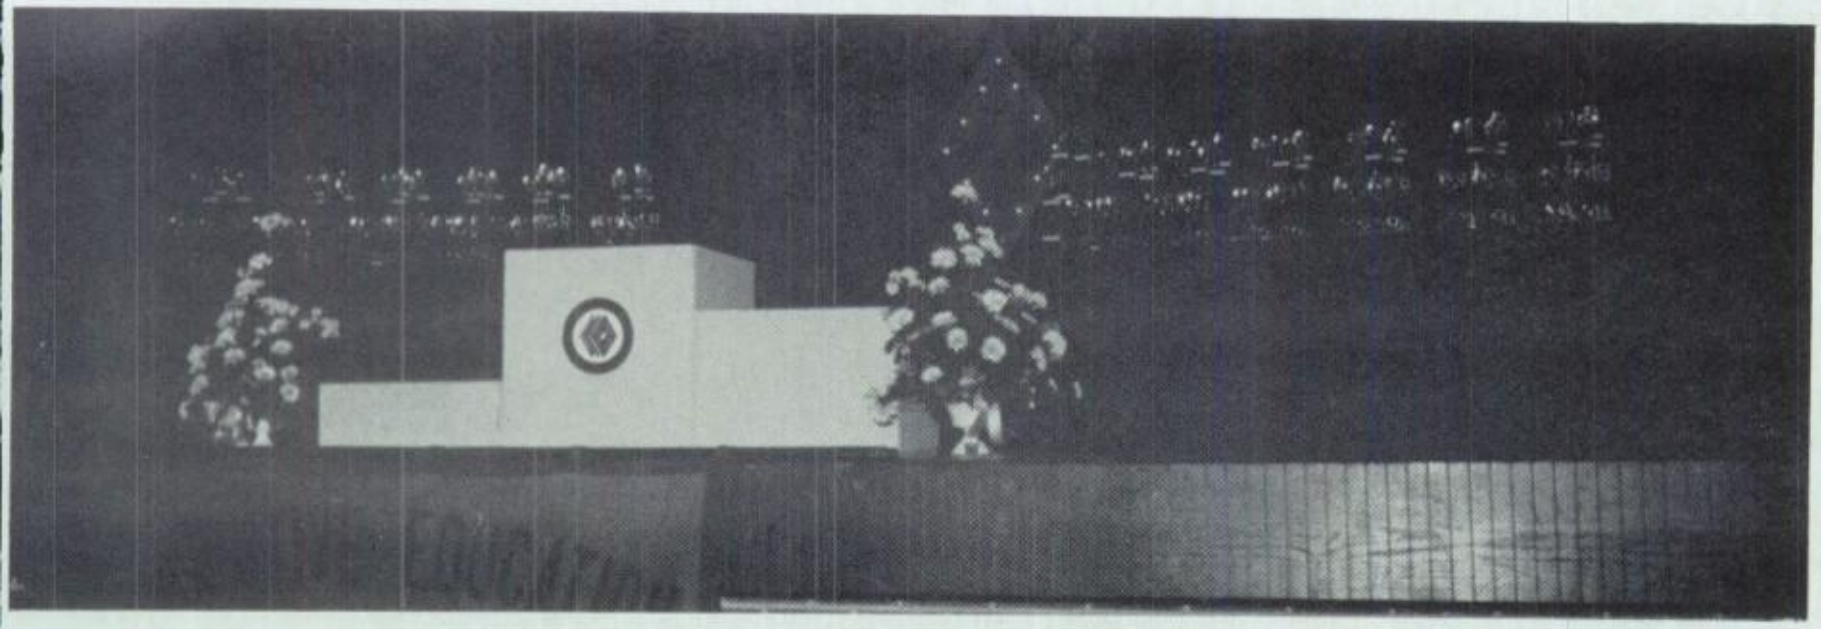
EMERGES IN LANGUAGE CLUBS AND DECA



DECA is the group of students that go to school for just a few hours each day and then out into the working world. Mr. Manzitti, The DECA advisor, helps to organize the things they do. The students do many things besides going to work. At Halloween they took handicapped children trick-or-treating. They also sponsored a bowl-a-thon. The work they do gives them experience for the future.

Pre-Calculus is often bewildering as Jef Sloan demonstrates.

Mr. Stern relates an explanation as Sue Trick listens intently.

Historically, outdated textbooks and senile old instructors gave a student a limited and foggy view to the wonders of knowledge. Fortunately, today, knowledge has been able to escape the fog to emerge crystal clear.

Math, a combination of computers, calculators, and calculating, is a worthwhile tool in the building of a solid education. Students recieve accurate and up-to-date information from knowledgeable instructors. More importantly, they are exposed to a number of challenging forms of math. Basic Math to Algebra all the way through Pre-Calculus; each 'adds up' to practical pieces of knowledge that will help in future endeavors.

Microscopes, moles, milligrams, science leads to understanding through analysis and investigation. Not only are students exposed to basic concepts, they also are involved in specialized areas of study. Anatomy to Biology to Earth Science; each typifies the well rounded program in the fascinating field of science.

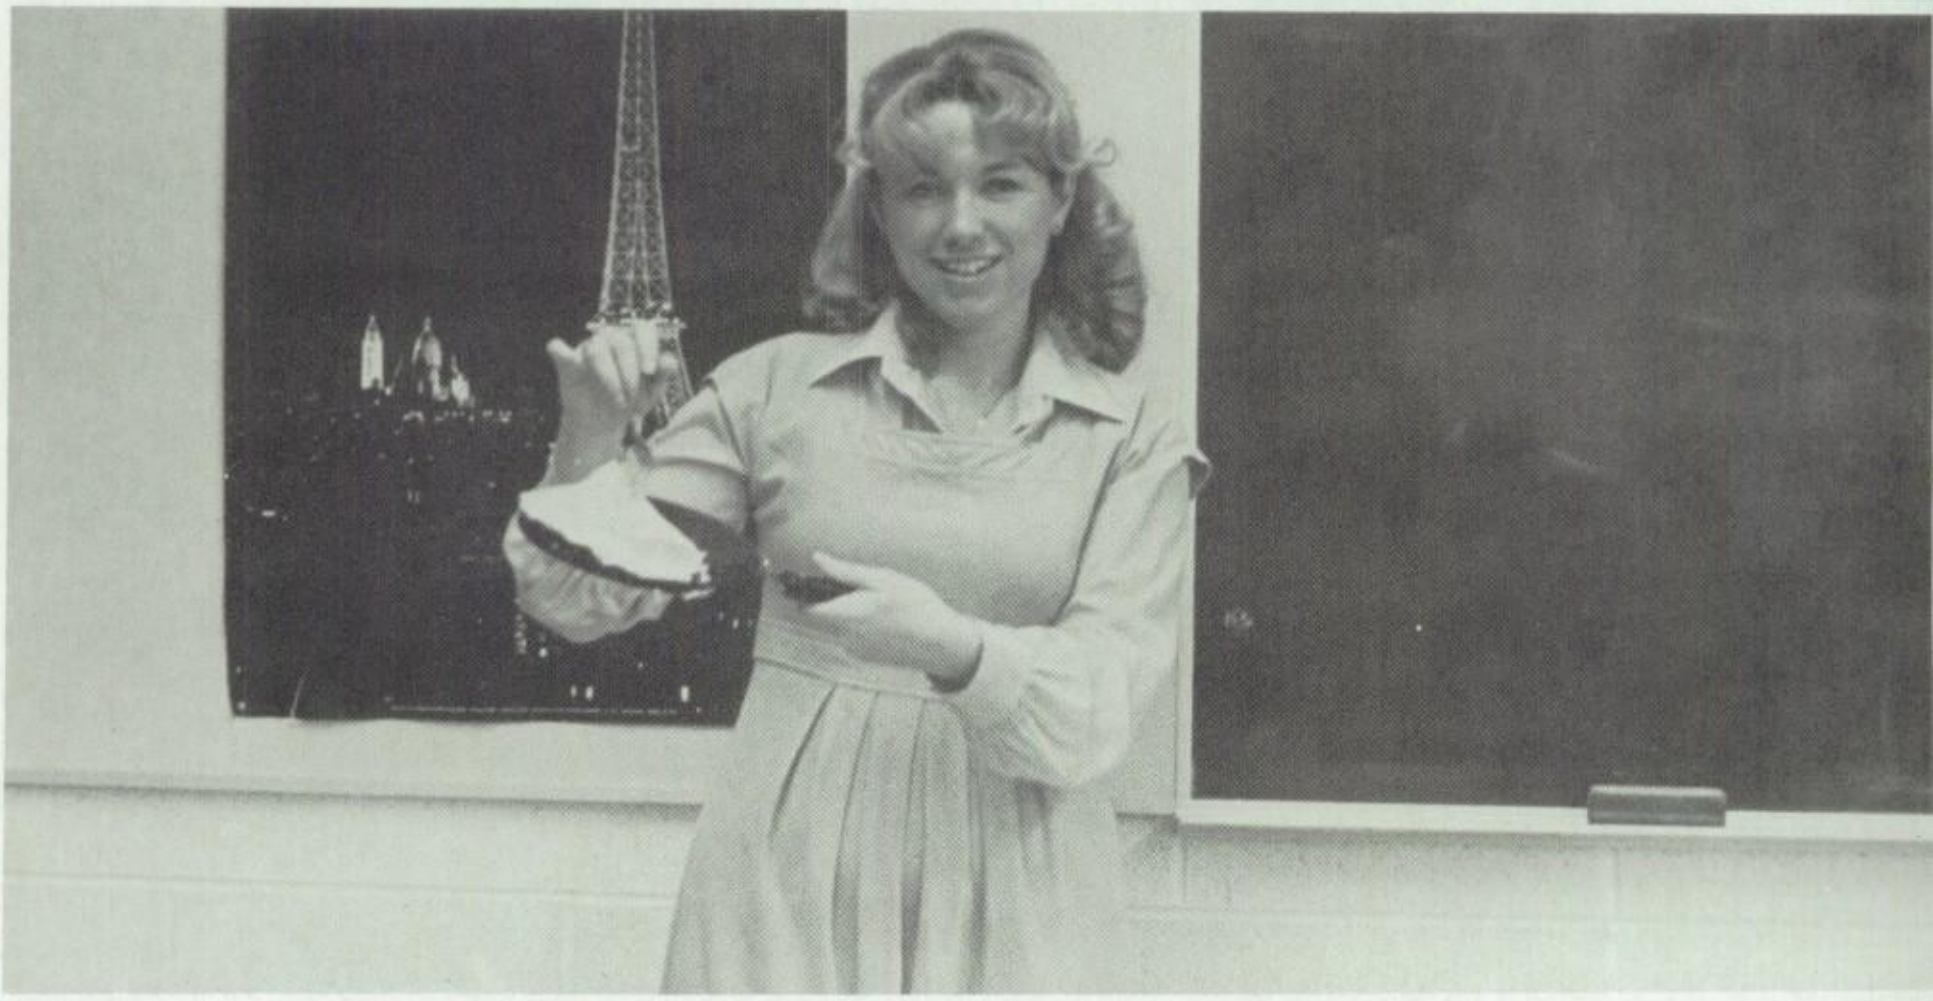
SELF UNDERSTANDING ACHIEVED THROUGH CULTURAL STUDIES



Eagerly helping his students is Mr Janes.

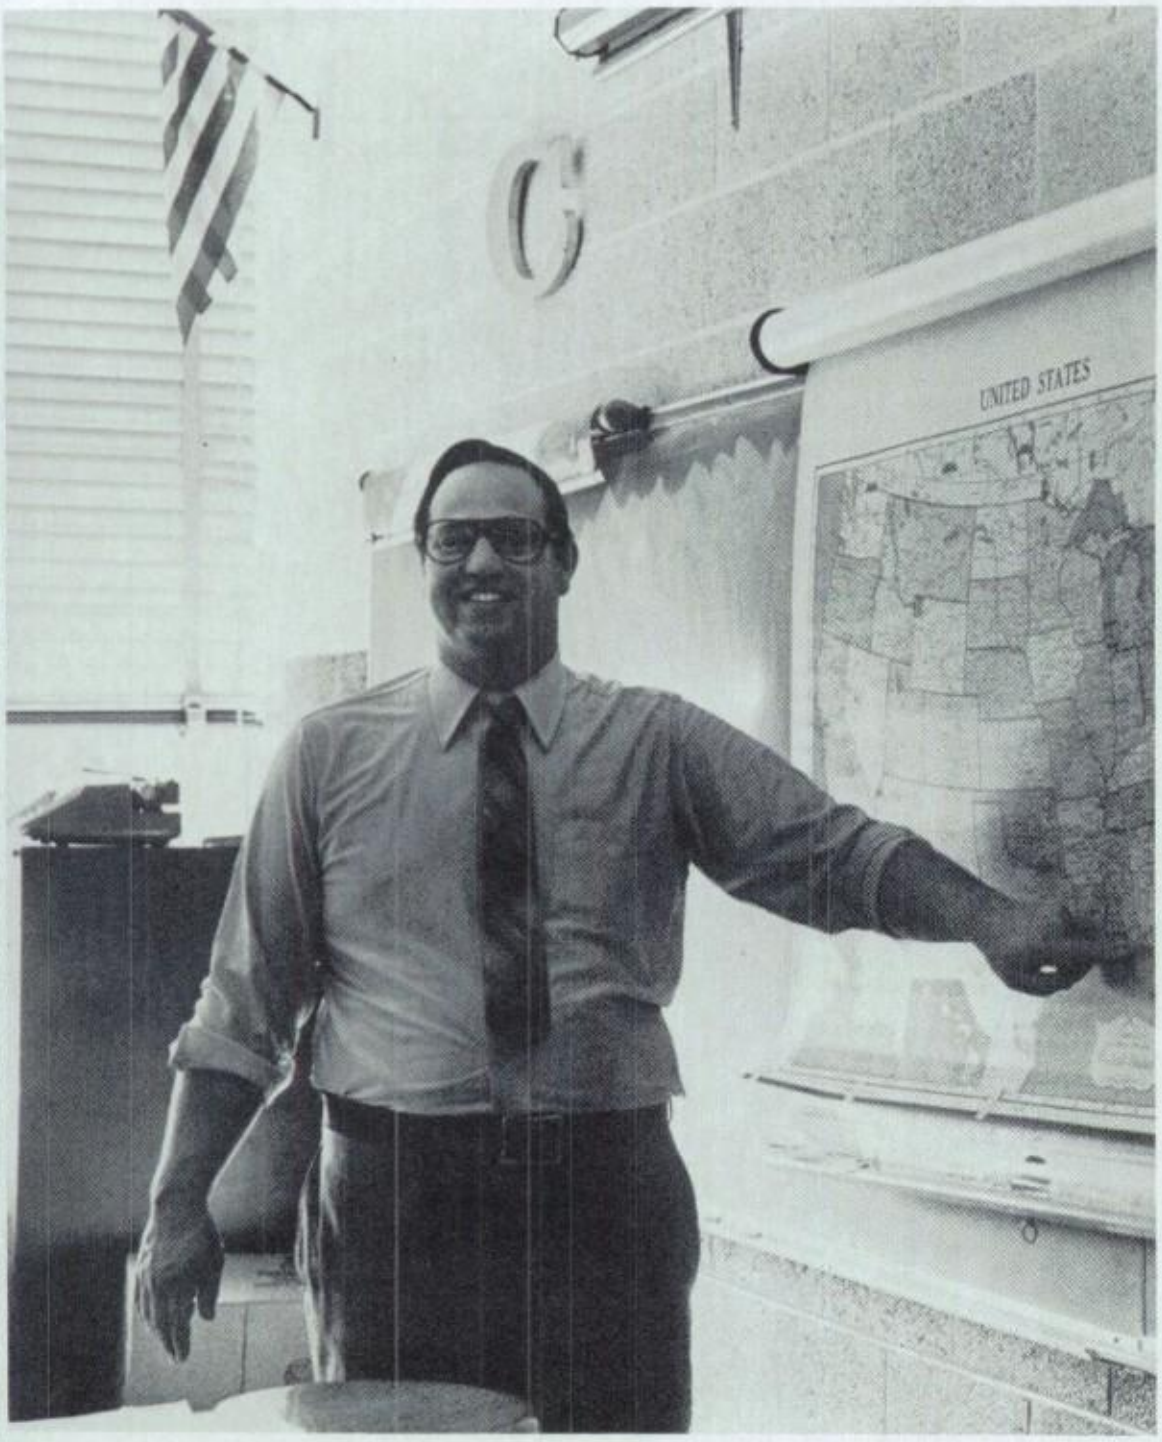
Demonstrating the gentle technique of making crepes is Mrs. Cherney.

The English Department has many advantages. It contains a variety of courses from the study of the Bible to Aristotle. Aside from the basic fundamentals of English the variety is enough to suit anybody's likes.

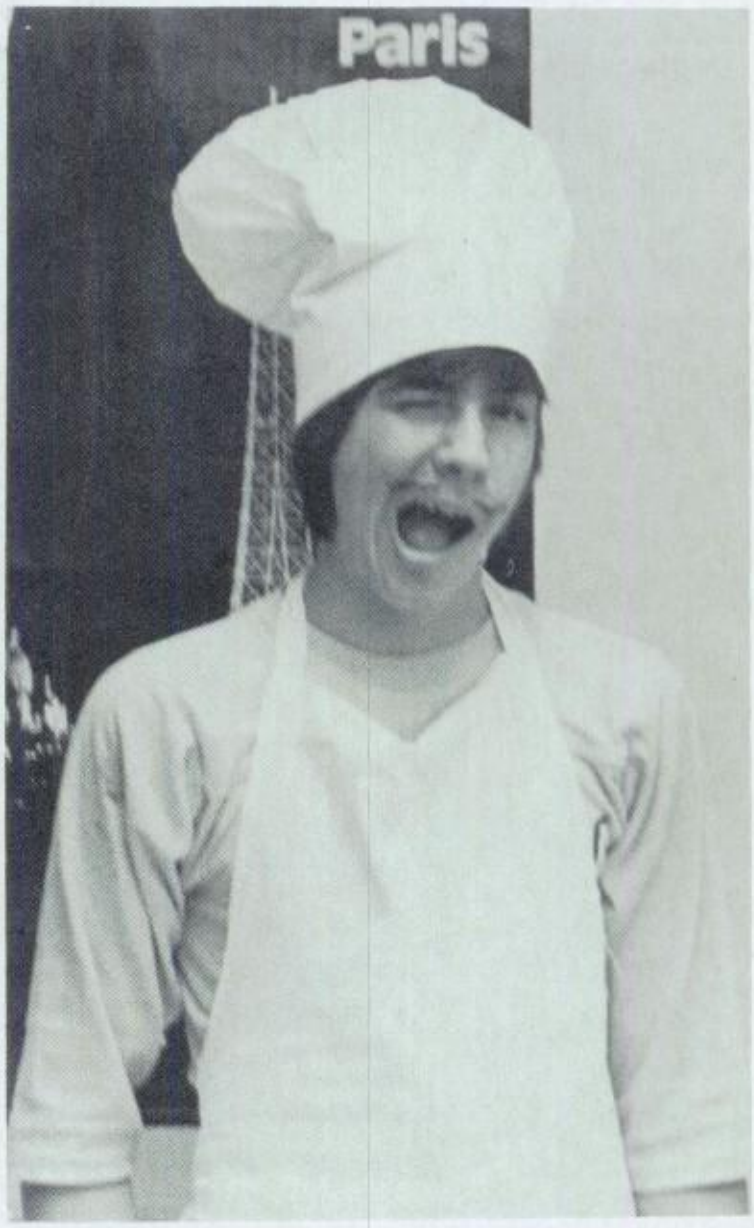
Foreign Language also has its place in the curriculum. Students are offered courses in French, German and Spanish. These courses can be enjoyable as well as informative.

The Civil War and politics are thoroughly discussed in the Social Studies classes offered to the students. The students are given the privilege to vote in a Mock Election and explore the affairs of the past and present.

Pointing out all the places he's been to is Mr. Crew.



Look out Chef Pierre, Here comes Larry Demers!



The finishing touch of crepes is finally added.

Reading can sometimes be relaxing, but not for Rob Hubbard or Donna DeLong.

TYPING, TAILORING OR TINKERING

You may ask what typing, tailoring, and tinkering have in common? They are all skills that may be acquired through participation of the Business, Home Economics, and Industrial Education courses offered to our students.

In our business curriculum, classes include Typing, Shorthand, and Office Practice. Another highly informative and beneficial course is Word Processing, which is the only course of its type offered at the high school level in the state.

Home Economics does not only focus upon cooking and sewing. The department also provides an opportunity for expanding the student's knowledge of home planning, financial arrengements, child development, and living independently.

The variety of skill choices does not end there. Industrial Education adds the opportunity for students, both male and female, to learn through books, demonstrations, and lectures, favorable knowledge and productive skills. Some of these classes are Autos, Graphics, Metals and Electronics.

All of the vocational skills provide students with considerable insight and awareness for possible future jobs and professions in today's society.

There is also a jewelry class offered which teaches how to make rings, bracelets, charms, etc. A lot of our art pictures and drawings that are done by students are exhibited in different shows around the state.

Music is the key to expressing yourself through song. Being able to play an instrument is a gift that one never outgrows.

Many opportunities are given to students to pursue careers in caring. Porgrams are offered for those interested in Nursing, Dental Assisting and Child Care. These first rate programs allow students to get the experience many employers insist of their employees. Seniors are put into a co-op program after many hours of class. Each student involved puts in their all to their prospective careers in helping.

Child Care worker, Analee Goodman helps children with their crafts.

THEY EARN AND LEARN

Every year ambitious students cut their class days short to go out into the working world.

The variety of educational opportunities provided, have given some selective third year students enough background to be able to choose jobs for their need. The types range from Business to Industrial Ed. to Drafting or working at a Woodmill. Most of the jobs found for the students are convieniantly located. Co-op enables these student's class day to be shortnened, and in turn, they are able to earn spending money and gain experience at the same time.

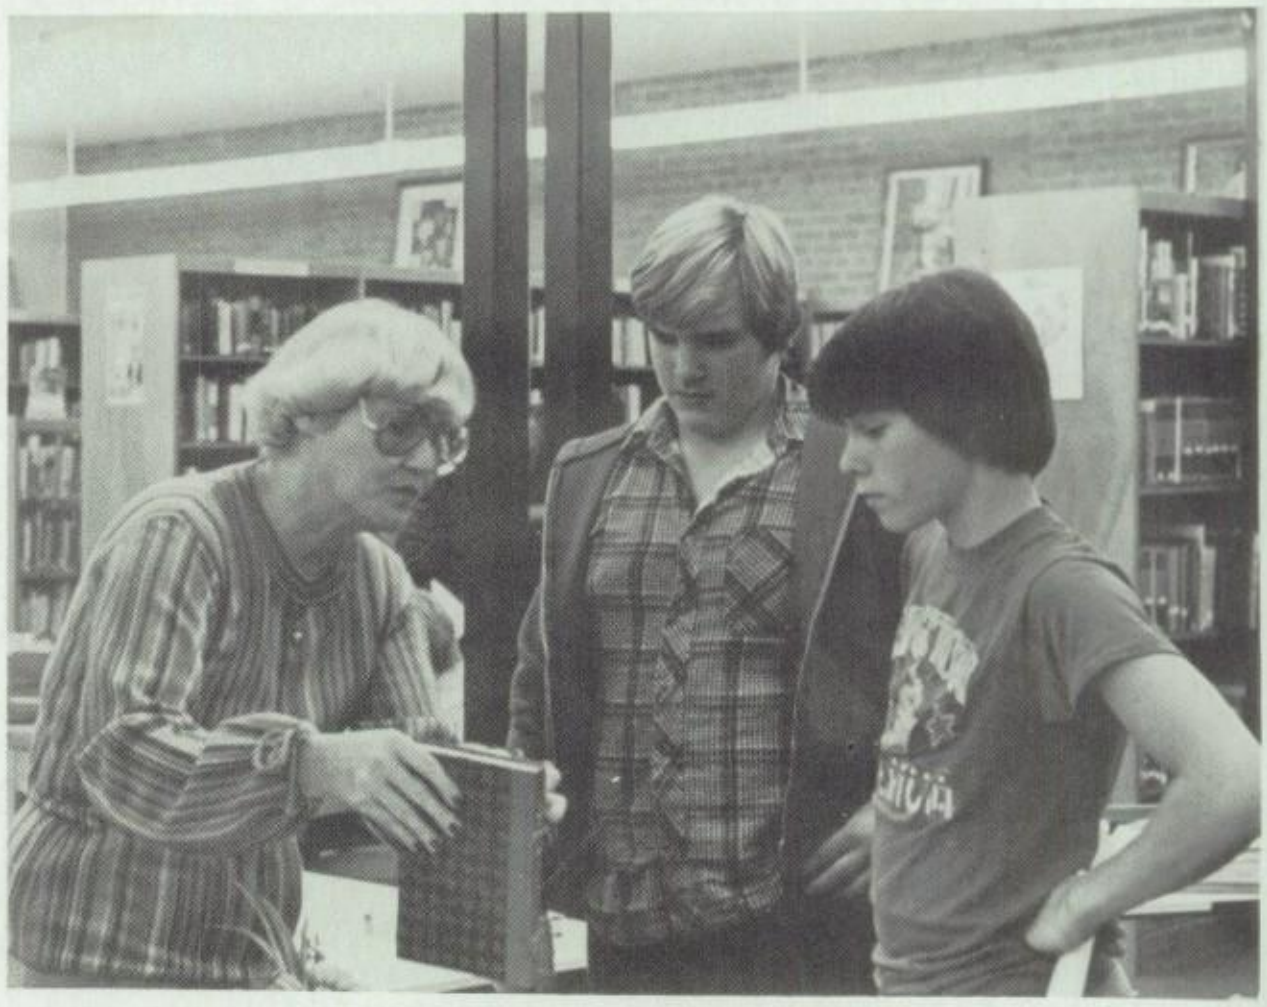
WE DO IT ALL FOR YOU



Mrs. Ulrich is having a hard time convincing these two that reading Shakespeare isn't all that bad.

A number of departments are designed specifically with the student in mind. For assistance in school work or in deciding upon a career, help is available to everyone.

The library is geared toward the high school's curriculum plus leisure reading material. An assortment of filmstrips and records, microfische and film machines work together to give us a highly advanced area of discovery.

With the Career Resource Center, under the supervision of Mrs. D. Smith, students are able to obtain information on colleges and careers. Many students take advantage of the CRC where Mrs. Smith provides an open and friendly atmosphere to each and every individual who steps through her door. The ultimate goal of the CRC is for all students to be aware of their future goals.

Another service available is the opportunity for supportive help. With smaller class sizes and an abundance of individual instruction, many students are able to find success. The sevice includes turtoring, assistance in tests and assignments, close communication among teachers and personal counseling.

The many conviences in these areas combine to make the days a little bit easier for all of us. Without these valuable facilities, life just wouldn't be the same.

Mr. Leonowicz finally agrees with Rob Doyle that with this work he's not going to college just to take up space.

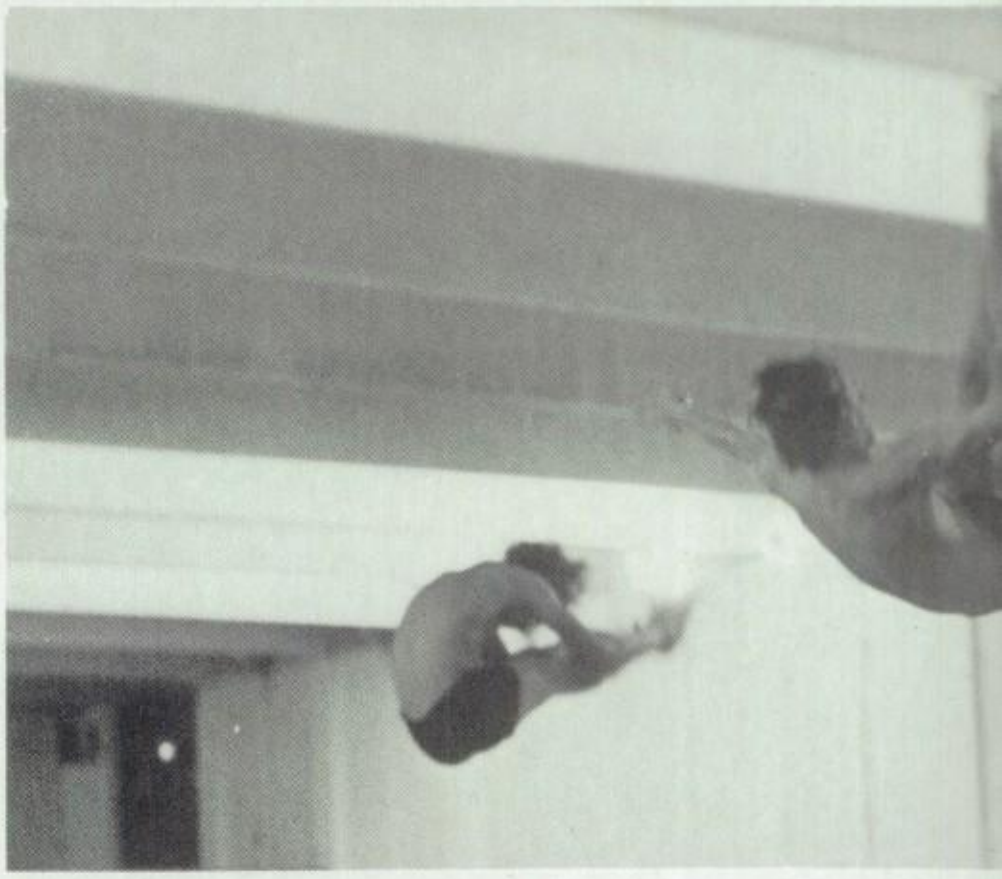
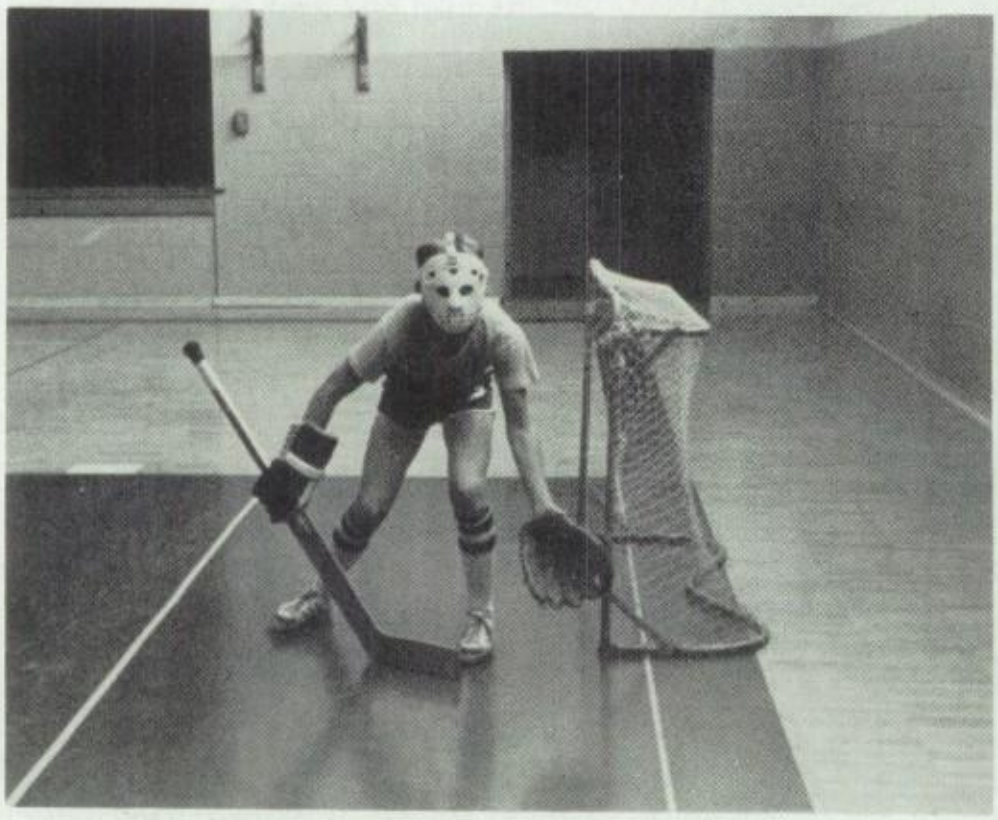
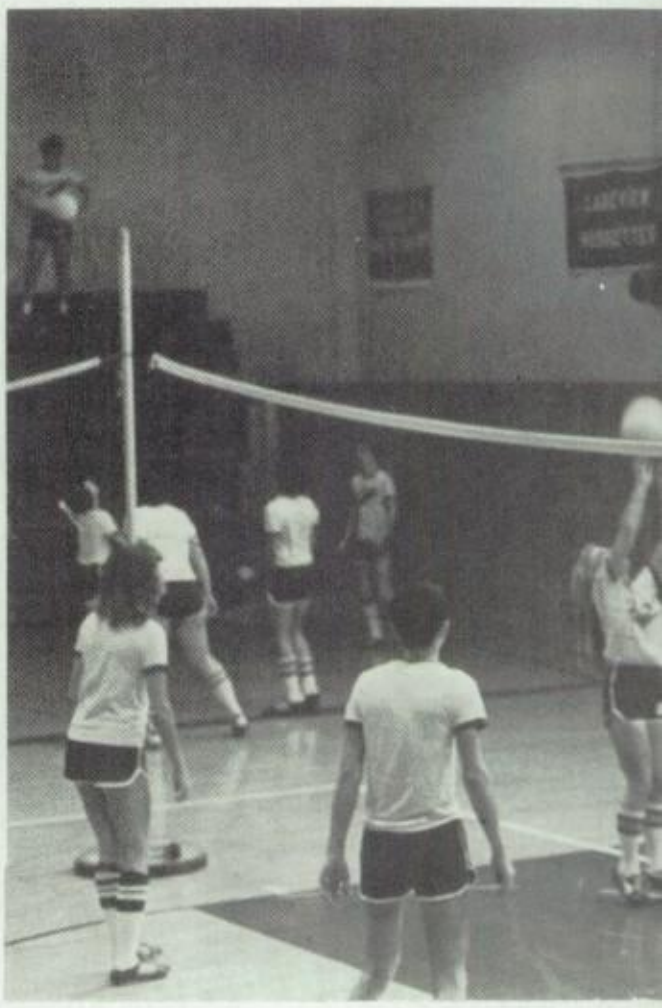
FUN AND FITNESS STRESSED IN PHYSICAL EDUCATION

Although physical education is a required class, this does not mean it can't be enjoyed. While learning the rules and physical skills used in various sports, students experience some of the best times of their high school lives. Students will look back and remember with a laugh, the day they accidentally knocked their teacher in the pool. Even though students like gym for the break it brings them in their monotonous day, the teachers agree that all the students benefit from the excercise and learn a great deal.





Goal tending can be dangerous, as shown by this goalies equipment.



While playing volleyball, students learn how to work together.

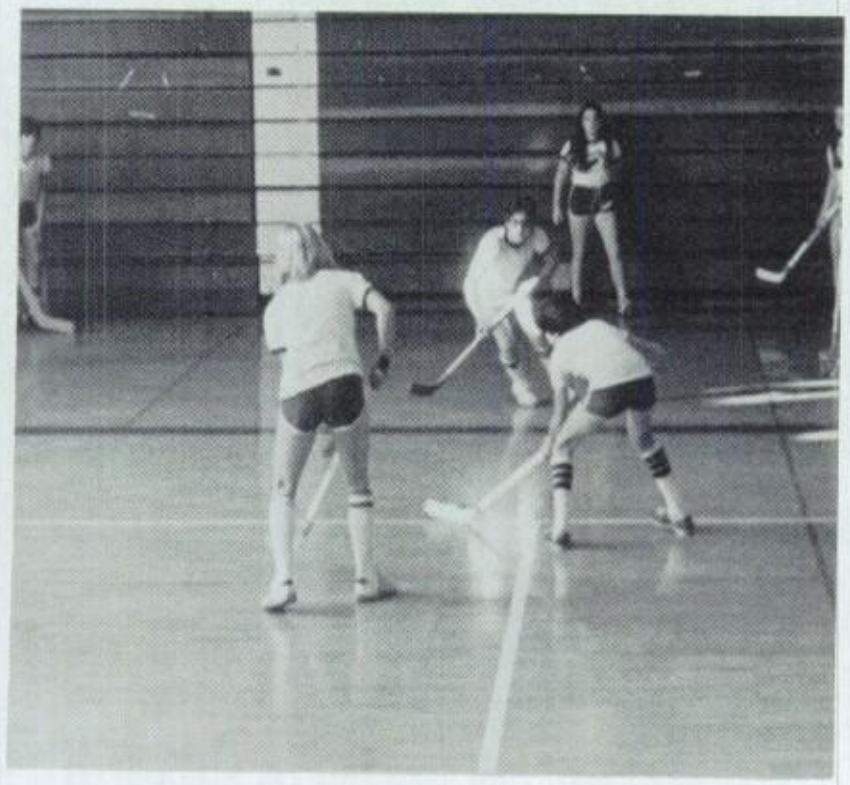
Two students show off their diving skill during free time.



Even though skates and ice are an impossibility, floor hockey can be as exciting as ice hockey.

Brablec defenders can't get past the blocking of Junior Frank Badalamenti and Tom Pannecouk, as they clear the way for Bob Finazzo to get to the end zone.

Fall came, and once again it was time to go "back to school." But this time it was different. This time, it was time to be a senior.

Being a senior with all of the fun and traditional things which it involves . . . Friday night football games . . . last minute homework assignments done on Monday morning . . . Government and Econ classes, necessary for graduation . . . float meetings starring "The Wave" . . . road trips . . . cap and gown measurements, also necessary for graduation . . . class dues, necessary for cap and gown measurements . . . rowdie hockey games . . . weekend parties . . . and, of course, good friends.

As we leave high school all of these things we take with us, to help us and guide us in the future that awaits us.

The times we shared together

When Will All The Sorrow End?

A great guy touched all of us.
He wished not our sorrow,
He never made a great big fuss.
I wish some of this strength I could borrow.

Rob was the man always to be there.
A better friend could not be found.
But we must also share-
He is now heaven bound.

The Lord has Rob in His hands.
The reason is unknown.
In my heart Grape Ape still stands.
His personality stands alone.

It seems too soon.
For us to part-
Just like a popped balloon.
To break a small child's heart.

All I ask of the Lord-
Is to take good care of this great guy.
The memories of him are forever stored.
Until we meet again . . . when I die.

Hockey and football games provided the bulk of the entertainment. Spectators gathered earnestly in the stand and cheered for a victory. Many juniors were on the hockey team, and several others on the varsity football team. Their efforts were brought forth, and many victories came from them.

The class sold many "extras" to the students during the year. At lunchtime, there were often bagels, and at holidays, Flowers or other delights. They also cooperated in the joy of the Rose Bowl by selling t-shirts to the students at a discount price. Many bought them with support and to cheer for "our" team.

The students were required to take a health and social studies class. The health class provided valuable information on the effects of drugs and alcohol, along with life saving techniques that could save a friend or relatives' life.

Biology. The word is dreaded by many students - especially sophomores. Being exposed to bacteria, and liver, and enzymes all year long, many are gald its over. The required class came in two forms - Molecular and General Biology. Here the students learned everything from enzymes to atoms.

Then, there was sports. If you participated or spectated, it proved to be worthwhile. The JV'ers had an outstanding season in football, and a rewarding time in other junio varsity events. Some preferre running, others tackling, div ing, swimming, playing tennis or just watching.

The sophomores prove they could excel in virtuall anything they do. Thev place themselves out of just th middle and demonstrated thei efforts for success.

A small-built, shy, and scared person is most likely a freshman on his or her first day of school. They came in apprehenisive, but soon handled their new surroundings with smoothness and excellance. There were difficulties in nominating officers, that were soon resolved by the students.

Their year was highlighted by Homecoming week. Being unaware of the crazy things that can happen, many were surprised and delighted to what enjoymnet the week brought. Many dressed in their radical suits, and tied a flower carefully on their float.

The involvement in sports was very rewarding. Many had the opportunity to join in anything from tennis to football. The after school activities brought a refreshing time to the students. They were no longer surrounded by younger students, and could finally establish a club or team of their own.

Caught planning their next cheer are some Freshmen cheerleaders.

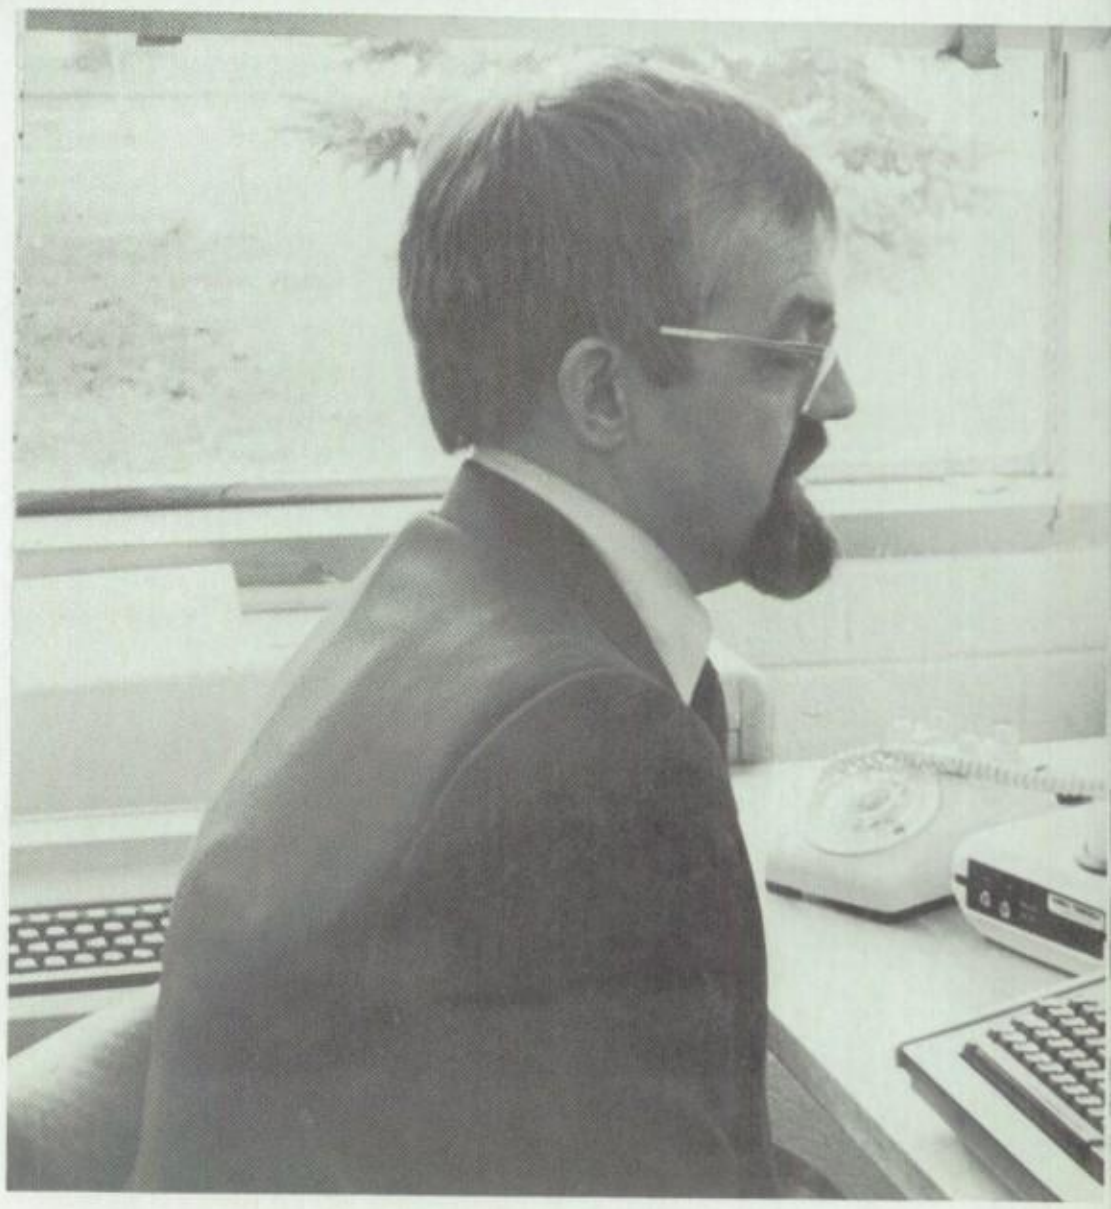
PEOPLE UP FRONT

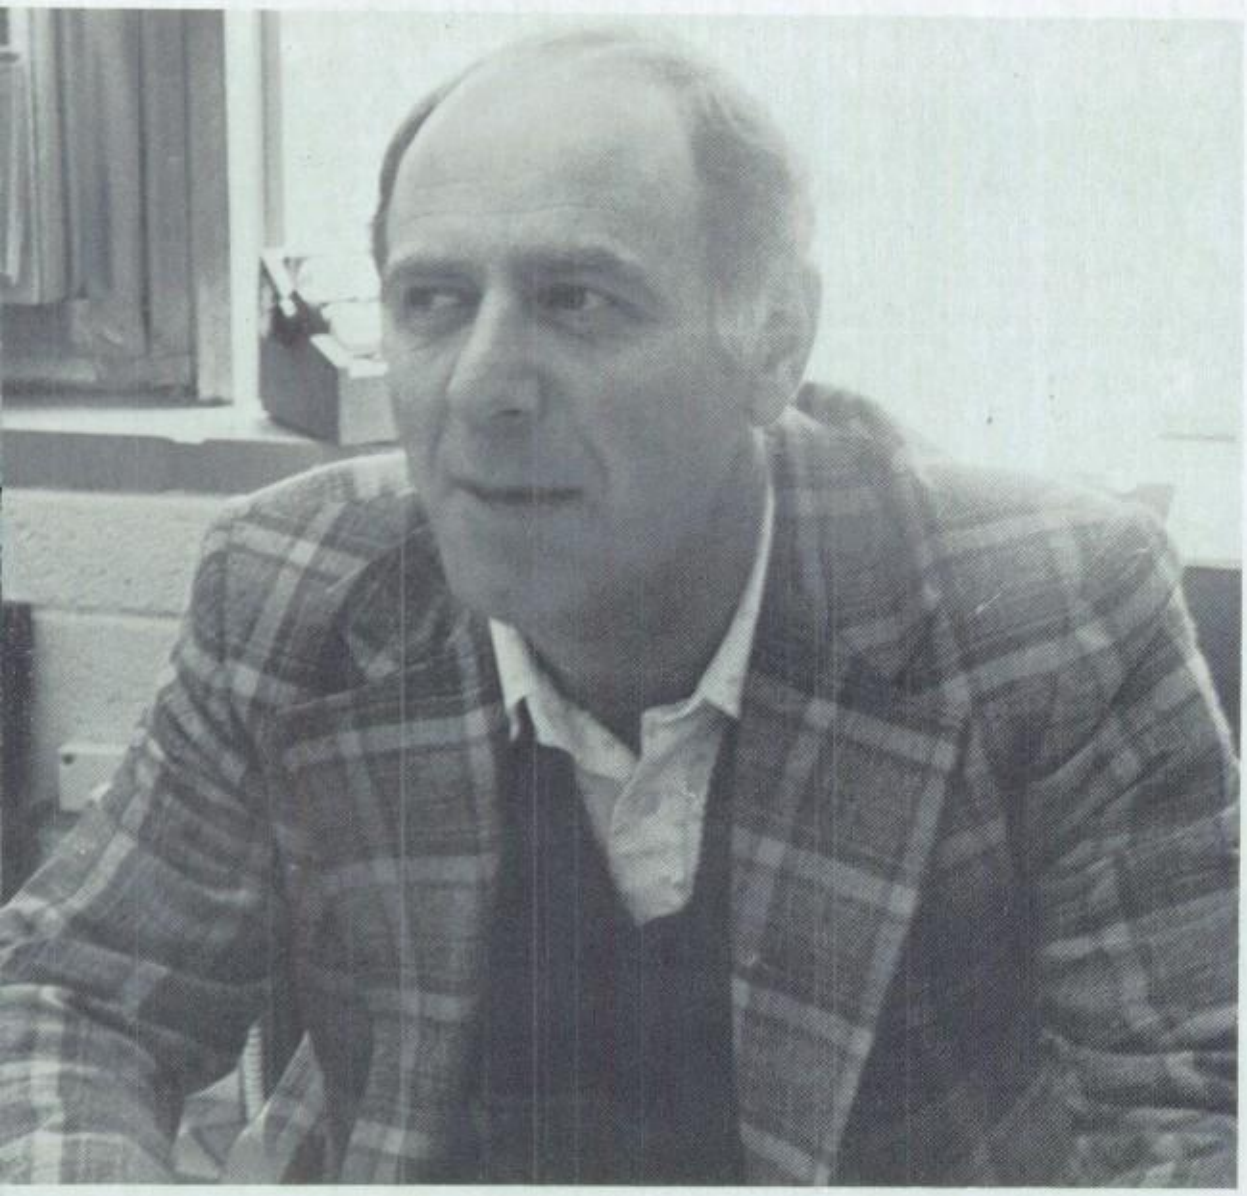
The game between Michigan and Ohio State; Principal Mr. Shugert holds a jug for which side he is for.

With the use of the computer Mr. Ruddock runs programs for the school.

Behind every organization there are the movers. They are the people who help the operation of the school's day. The staff devotes their time and energy to benefit the students, teachers, and each other to have a smooth functioning operation.

They are the people who we seek out when we want to change our schedules, to discipline us, to advise us, and to make us better citizens to our city. They are the movers.





Mr. Hoag can be found many hours of the day in his office working dilligently.

With pen in hand, Mrs. Heath keeps orderly arrangements of Mr. Shugert appointments.

Typing is one of the many jobs, Mrs. Ellenburg does to make the office run smoothly.

In the attendance office secretary Mrs. Dailey answers the phone.

New ideas for the library are discusse by Mrs. Ulrich and Mrs. Smith.

What would we do withou them? The cidels of educa tion, these teachers who hav devoted their days and i many cases their nights t make sure that we receive a education which forms ou lives for the future.

They not only teach th three R's: reading, writin and arithmetic, they also teac the fundamentals of good citi zenship and sportsmanship.

Sometimes we take thes individuals for granted. The are really down to earth, ordi nary people.

So we recognize these ded cated teachers for the time an energy they devote to makin us stand on our own two fee and face the future with grea determination for a brigh future.

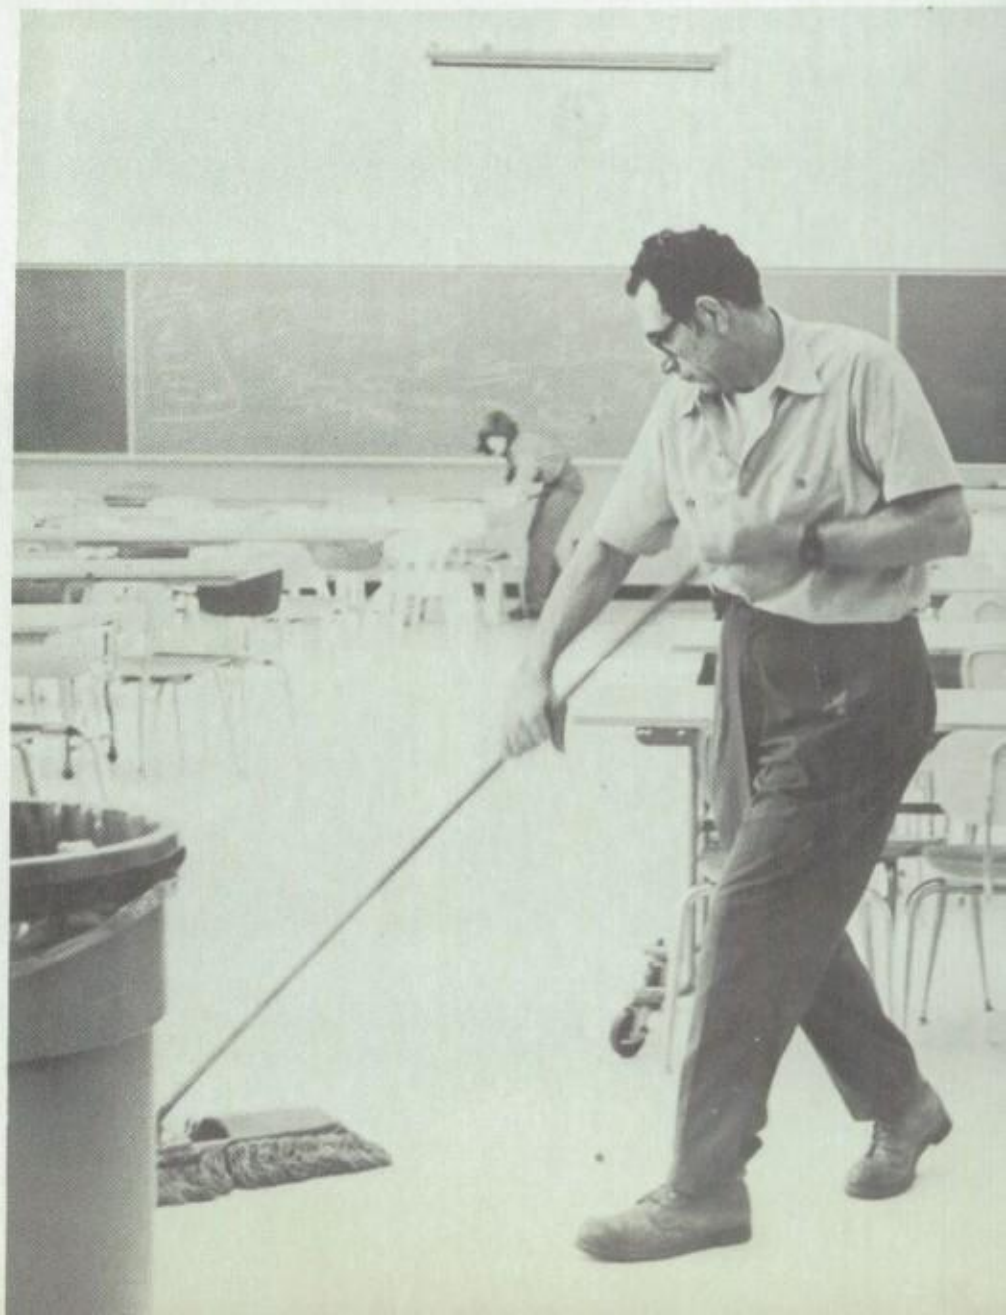
COOKS AND CUSTODIANS KEEP SCHOOL CLEAN

Cooks: Ruth McDowell, Meredith Longyear, Mary Williams. Back row: Jean Stephans, Theresa Rachilla, Bebe Bishop, Virginia Mackey.

Making sure the lunch room is clean, Dave Hanna takes time to mop the floor.

Pride is taken in a spotless kitchen showned by Mrs. Bebe Bishop.



Rinsing the trays is Mrs. Theresa Racheli, as she gets ready to wash them.

The custodians keep our school clean. They deserve much credit. The custodians work hard and spend many hours repairing broken things. They do all this to make our school a great one to attend.

The cooks are great too. They prepare the entire teachers and student body lunches. A lot of preparation goes into setting up the lunch program, but the cooks do it with ease.

We often wonder, what it would be like if we didn't have the cooks making hot lunches, or the custodians repairing things that are broken? Our school would never be the same without them.

As the lines form Mrs. Bishop keeps extra pizza on hand.

Good Luck— My Honors Econ Class

Dororthy, We've been friends throughout high school and have had many great times. Although it looks like we will go our seperate ways next tear, I lnow we will stayt friends and share many more good times. Best of Luck Laura
Ken, It's been great having you here the last two years, I know Mom was watching and would have been proud to see us both on the hockey team. Too bad we couldn't have had a winning season for her, but those are the breaks. I want to see you tearing up the league the next two years & bring the winning tradition back to Lakeview and make them #1 again! Also keep up the good grades and enjoy your remaining years at Lakeview. Good Luck, Matt.

Suzanne, Congratulations on a job very well done! We wish the best of everything to the sunshine of our lives! Love Mom and Dad.

Jim, Although the times we shared were few, I would never want to change them. Love, Brenda.
Lisa, Thank you for being such a special part of my senior year. I hope you have a great time in your last two years at Lakeview-take care. Love Always, Pat.

Bobby Mikowuti & Manowin The Burger King Queen!!!!!!!!!!!

Chris, to say I love you just can't express all that you mean to me. It's been almost 2 years since that nite on Nov 24, thank you, they were great. The years ahead will be tough, but we'll make it together, we always have. They say "its just a high school thing." Well, they're wrong! You are so special to me. I love you now and always will. Love Dawn.

Charlene-I could never begin to write about all we've done together. But I will say the memories of our yesterdays and the thoughts of our tomorrows will be with me forever. Thanks for being the very special friend that you are. I Love you and may God be with you always-Love Tracey

My Stephen, Thank you for making my high school years the best and more. Together we can pull through anything. I love you always. CP.

Teri & Janet-You both have played a major part in my senior year. Thanks for all of the good times you gave me. Lynn.

Liz, Lynn, Shirley-Well sleezes, our year together is over but the BQ's have many memories that will be cherished forever. Our great parties (sh-sh; the neighbors will hear) that lasted till all hours of the night will never be forgotten. Thanks for all the great times-camp-bus rides-competitions-"office talks"-and memories of '81 colorguard. The bet for dinner is still on-or should I say no one has admitted to winning- Good luck to all, Love, Tracey.

Tracey, you're my best friend ever! Thanks for all the memories, Love you, Char.

Sleeze Club-Thank you for all of the good times that you gave me im band. We had a great time at band camp and all through marching season. Thanks! Lynn.

Karen,
well we finally made it to high school and through 9th grade. I thought we'd never do it (maybe too many!!) Remember and I go back about times with Rob and Nick. Sorry and Nick ended that way but you have a better one for you, Bill. I hope you two go for already. I'm glad Rob and a way. Really getting together. (I Dare) Well I don't know how to think) I can't explain all the others good times we've had and all the tough times we've gone through. I'm glad you were there with me young through those times and Bill good luck to you and always stay the same forever and always have friends like you Lisa Pagan
Lyrics always have different classes next year maybe

P.S. I usually don't write this stupid

THE BEST OF TIMES

MEMORIES
IN ALL THAT I'VE DONE AND ALL THAT I'VE LEARNED
I'VE SEARCHED FOR A "ME" FOR OTHERS TO SEE
UPON LOOKING UP AFTER FOUR YEARS GONE BY
I FOUND ANOTHER PAGE OF MY LIFE HAD TURNED.
THE SIMPLE HAPPENINGS OF TODAY
WILL BE GREAT MEMORIES OF TOMORROW,
AND THE FACT THAT WE CAN'T DO IT AGAIN
MIGHT BRING US A BIT OF SORROW.
YET, THE SIMPLE FACT THAT WE'VE LIVED LIFE ONCE
WILL LET US THINK IT A SUCCESS,
AND THE YEARS TO COME WILL PROVE TO US
THIS YEAR HAS BEEN BETTER THAN ALL THE REST.

Karen,
Im really glad I met you about 3 years ago in Current Events. Then we had homec. together and this year we have English together. Wive had a riot and to you, you've made 3 mini years writing to all otherwise be boring for all the great thanks. Also Current Events. Thanks for the times and copying my homework. Thanks for helping me with last year. Ill had a great plan. Anyway thanks for the times and the fun! Good luck in everything especially with Bee.

Love
ya
always
